HSBC Mutual Fund

The growth engine your portfolio needs

Mid-cap Funds invest in companies at a ripe stage of growth, with opportunities to expand their operations, enter new markets and strengthen their competitive position. This can create opportunities for long-term investors looking to ride the growth wave from their evolving business models and expansion plans.

How Mid-cap Funds fit in your portfolio

Foundation
Established operating history expanding into new markets

Catalyst
Research-led stock selection capitalizing on India's growth themes

Horizon
Potential to become tomorrow's large-cap market leaders

Why consider Mid-cap funds?

- Access businesses at the right stage with growth potential
- A blend of business maturity and growth opportunities
- Potential to become tomorrow's business leaders
- Capture opportunities in India's evolving economy
- Diversified across sectors
- Research-led stock selection identifies potential opportunities
