HSBC Mutual Fund

Limitless imagination fueled by an SIP.

Start now for their future.

Children never stop dreaming! As a parent, you would do anything to see their dreams come to life. This Children's Day, make a promise towards their future with a Systematic Investment Plan (SIP) and fuel their big dreams.

Why consider an SIP now?

- Higher education costs are increasing at an average rate of 10% per year*.
- Studying abroad is attractive with higher salaries and increasing affluence.
- Aims to beat the effect of inflation over time with equity investing.

Benefits of an SIP

- Helps you reach your goal amount with regular monthly instalments.
- Take advantage of the power of compounding over the long term.
- Rupee cost averaging helps smooth out market ups and downs over time.
- An SIP may mitigate rupee-depreciation over time for those looking to study abroad.

Plan for your child's big dreams with an SIP.

Happy Children's Day!
