

# Hey Mom, here's something to cheer you up.

## A free pass to pamper yourself this Mother's Day!

You've always put us first. You have taught us to be financially independent and self-reliant, all the while sacrificing the things you love. And now we're sharing a few tips to help you continue doting on us...

### Take the day off

Go shopping, visit the spa, sleep in late, have a girls' night out, or just relax in your favourite spot.

### Check off the to-do's

Get those involved in your to-do list to do their chores or run errands so you can enjoy your time off.

### Clean house, clean mind

Get the kids or the maid and to finish cleaning so you can dust those cobwebs from your mind and chill.

### Enjoy financial freedom

Make your money work for you with Systematic Investment Plan (SIP) for each of your financial goals.

### Outsource dinner duties

Order in, get your husband or the kids to cook you something scrumptious for breakfast, lunch or dinner.
