Investment Objective

The primary investment objective of the Scheme is to provide long term capital appreciation by investing predominantly in units/shares of HSBC Global Investment Funds (HGIF) Brazil Equity Fund. The Scheme may, at the discretion of the Investment Manager, also invest in the units of other similar overseas mutual fund schemes, which may constitute a significant part of its corpus. The Scheme may also invest a certain proportion of its corpus in money market instruments and/or units of liquid mutual fund schemes, in order to meet liquidity requirements from time to time. However, there can be no assurance or guarantee that the investment objective of the scheme would be achieved.
