## SECTION I - INTRODUCTION

### A. RISK FACTORS

#### Standard Risk Factors:

- Mutual funds and securities investments are subject to market risks and there is no assurance or guarantee that the objectives of the Scheme will be achieved.
- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal
- As the price/value/yield of the securities in which the Scheme invests fluctuates, the value of your investment in the Schemes may go up or down depending on the various factors and forces affecting the capital markets and money markets.
- Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the Schemes.
- HSBC CRISIL IBX Gilt June 2027 Index Fund is the name of the Scheme and does not in any manner indicate either the quality of the Scheme or their future prospects and returns.
- The Sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 1,00,000/- (Rupees One Lakh only) made by it towards setting up the Fund. The associates of the Sponsor are not responsible or liable for any loss or shortfall resulting from the operation of the Scheme.
- The present Scheme is not a guaranteed or assured return Scheme.
- Mutual funds being vehicles of securities investments are subject to market and other risks and there can be no guarantee against loss resulting from investing in the Scheme. The various factors which impact the value of the Schemes' investments include, but are not limited to, fluctuations in the bond markets, fluctuations in interest rates, prevailing political and economic environment, changes in government policy, factors specific to the issuer of the securities, tax laws, liquidity of the underlying instruments, settlement periods, trading volumes etc.
- Investment decisions made by the AMC shall be in the best interest of investors but may not always be profitable.

**Liquidity Risk for all Open-Ended Debt Schemes is measured and addressed through the below mentioned liquidity management tools.**

| Liquidity Management Tools   | Brief Description   |
|--|---|
| <b>Potential Risk Matrix (PRC) and Risk-o-meter (RoM)</b>  | All debt schemes are bucketed in terms of Potential Risk Class matrix (PRC) based on maximum interest rate risk and credit risk parameters. PRC defines the maximum risk that a scheme will run as per design and RoM is the measurement of that risk on a regular basis. Remedial measures are in place in case any of the design boundaries are breached.   |
| <b>Maintenance of minimum liquid assets in all open ended debt schemes and monitoring liquid assets through LR-RaR and LR-CRaR framework provided by AMFI.</b> | All open ended debt schemes (except Overnight fund, Liquid fund, Gilt fund and Gilt Fund with 10-year constant duration) shall hold at least 10% of their net assets in liquid assets or liquidity ratio computed basis LR-RaR and LR-CRaR, whichever is higher. Similarly, liquid funds shall comply with the requirement of maintaining liquid assets at 20% of their net assets or liquidity ratio computed basis LR-RaR and LR-CRaR, whichever is higher. |

| Liquidity Management Tools        | Brief Description  |
|-----------------------------------|--|
|                                   | The Liquidity Risk Management framework defines the Liquidity Risk arising from liability side of the portfolio and covers all potential liquidity risk scenarios upto 99% confidence interval. The AMC measures and monitors liquidity risk on a monthly basis and has laid down action plan in case there is difference between actual outcome and projected outcome.  |
| <b>Stress Testing</b>             | Stress Testing is carried out for all open ended debt schemes (except overnight scheme) on a monthly basis as required by SEBI. The stress testing addresses the asset side risk taking into account the Interest Rate risk, Credit risk and Liquidity risk at an aggregate portfolio level and its impact on NAV. This asset side stress testing complement the liability side stress testing conducted through LR-RaR and CR-CRaR framework. The results of Stress Testing is reported to AMFI, Board of AMC and Trustees on an ongoing basis. |
| <b>Asset Liability Management</b> | Asset Liability Management covers monitoring of liquidity risk addressing asset liability mismatch upto a period of 90 days. The 90-day liability ratio is calculated taking into account investor behavior based on size of their investments and historic redemptions at an industry level. The 90-day liability ratio is compared with the Portfolio Liquidity ratio to ascertain if any asset liability mismatch exists.   |
| <b>Swing Pricing</b>              | In case of severe liquidity stress or a severe dysfunction at market level, the Swing Pricing guidelines get triggered which offers the contingency plan in case all else fails.   |

#### Scheme Specific Risk Factors

- **Tracking Error Risk:** The Fund Manager may not be able to invest the entire corpus exactly in the same proportion as in the underlying index due to certain factors including but not limited to lot size constraints in bond markets, portfolio liquidity considerations, transaction costs, fees and expenses of the scheme, corporate actions, cash balance, changes to the underlying index, difference in valuation of underlying securities by the index provider and AMC's valuation providers and regulatory policies which may affect AMC's ability to achieve close correlation with the underlying index of the scheme. The scheme's returns may therefore deviate from those of its underlying index. It will be the endeavour of the fund manager to keep the tracking error as low as possible. However, in case of events like, reconstitution/addition/deletion of securities in the underlying index etc. or in abnormal market circumstances, the tracking error may rise. There can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to performance of the Index.
- **Concentration Risk:** The Scheme shall predominantly invest in G-secs and hence may have limited or no diversification to any other types of fixed income securities within its portfolio. This could have implications on the performance of the scheme. The Scheme may be more sensitive to economic, business, political or other changes that may directly impact G-sec spreads etc.

and this may lead to considerable fluctuation in the Net Asset Value of the scheme.

### **Risk factors associated with investing in Fixed Income Securities**

Subject to the stated investment objective, the Scheme proposes to invest in debt and related instruments and the risk factors pertinent to the same are:

1. *Price-Risk or Interest Rate Risk:* As with all debt securities, changes in interest rates may affect the NAV of the Scheme as the prices of securities increase as interest rates decline and decrease as interest rates rise. Prices of long-term securities generally fluctuate more in response to interest rate changes than do short-term securities. Indian debt markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby to possible movements in the NAV.
2. *Liquidity Risk:* This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today characteristic of the Indian fixed income market. HSBC monitors liquidity risk on an ongoing basis from both assets and liability side. Liquidity risk for G-secs is considered to be minimal in normal market/liquidity conditions. However, in times of stress (e.g. sharp increase in interest rates, systemically significant credit events, economic/political triggers), liquidity conditions may become tight and can magnify if there are significant redemptions in the fund. During tight liquidity conditions fund manager may have to resort to sale of securities at discounts to fair value impacting performance outcomes of the fund. Stress Testing is carried out for all open-ended schemes (except FOF & Overnight scheme) on a monthly basis as per by SEBI requirements.
3. *Credit Risk:* Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e. will be unable or unwilling to make timely principal and interest payments on the security). Because of this risk, corporate debentures are sold at a yield above those offered on Government Securities, which are sovereign obligations. Normally, the value of a fixed income security will fluctuate depending upon the changes in the perceived level of credit risk as well as any actual event of default. The greater the credit risk, the greater the yield required for someone to be compensated for the increased risk. Since the Scheme shall invest predominantly in Central and State Government Securities, credit risk for the Scheme shall be minimal. Being a passively managed scheme, it will endeavor to invest in the securities included in its underlying Index.
4. *Reinvestment Risk:* This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme are reinvested. The additional income from reinvestment is the “interest on interest” component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.

However, declining interest rates normally lead to increase in bond prices which may help cushion the impact of reinvestment risk to some extent.

5. *Duration Risk:* Duration is a risk measure used to measure the bond/security price changes to potential changes in interest rates. Duration of portfolio x the expected changes in rates = the expected value change in the portfolio. Duration is more scientific measure of risk compared to average maturity of the portfolio. The higher the duration of the portfolio, the greater the changes in value (i.e. higher sensitivity to interest rate movements). Modified duration is the duration of a bond/security given its current yield to maturity, put/call feature, and an expected level of future interest rates. Duration risk and reinvestment risk neutralize each other to some extent.

Falling interest rates provide capital appreciation but interim receivables are redeployed at lower interest rates. Rising interest rates cause asset price to fall but interim receivables are redeployed at higher interest rates. As the target maturity date of the Scheme approaches, the Duration risk shall decline steadily. Being a passively managed scheme, it will endeavor to invest in the securities included in its underlying Index.

6. *Benchmark Risk:* There could be situations where the benchmark is discontinued/dissolved by the index service provider. It may also be caused due to conflict between the index service provider with the other platform/AMC. Hence, there could be a situation of benchmark unavailability for some period of time. The AMC shall within the scope of regulations follow another suitable benchmark for the scheme. Benchmark index is a custom benchmark and not a broad market benchmark and hence there is no history of performance for the benchmark.
7. *Prepayment Risk:* The risk associated with the early unscheduled return of principal on a fixed-income security. The early unscheduled return of principal may result in reinvestment risk.
8. *Spread Risk:* In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

### **Risk factor associated with legal, tax and regulatory risk**

- The Scheme could be exposed to changes in legal, tax and regulatory regime which may adversely affect it and/or the investors. Such changes could also have retrospective effect and could lead to additional taxation imposed on the Schemes which was not contemplated either when investments were made, valued or disposed of.

### **Risk Factors associated with investments in Money Market instruments**

- Investments in money market instruments would involve a moderate credit risk i.e. risk of an issuer's liability to meet the principal payments.
- Money market instruments may also be subject to price volatility due to factors such as changes in interest rates, general level of market liquidity and market perception of credit worthiness of the issuer of such instruments.
- The NAV of the Scheme's Units, to the extent that the corpus of the Scheme is invested in money market instruments, will be affected by the changes in the level of interest rates. When interest rates in the market rise, the value of a portfolio of money market instruments can be expected to decline.

### **Risks factors associated with Segregated Portfolio**

- *Liquidity risk* – Segregated Portfolio is created to separate debt and money market instruments affected by a Credit Event from the Main Portfolio of the Scheme to protect the interest of existing investors of the scheme. The Fund will not permit redemption of the Segregated Portfolio units, but the units will be listed on a recognized stock exchange. The Fund is not assuring any liquidity of such units on the stock exchange. Further, trading price of units on the stock exchange may be significantly lower than the prevailing NAV. Investors can continue to transact (subscribe/redeem) from the Main Portfolio.
- *Credit risk* – While the AMC will put in sincere efforts to recover the securities in the Segregated Portfolio and distribute the same to unit holders, because such securities are affected by credit event, it is likely that such securities may not realize any value leading to losses to investors.

### **Risk factors associated with Swing Pricing**

- This Scheme will enable Swing Pricing and this will be triggered during period of market dislocations as declared by SEBI. Swing price is enable to protect interests of remaining investors during periods of significant inflows and outflows. While swing pricing will be effected only during market dislocations and net outflows from the scheme, transacting during such periods may result in subscriptions/redemptions effected at a NAV adjusted for the swing price.

### **Passive Investments**

- The Scheme is a passively managed scheme The Scheme shall endeavor to invest in the securities included in its underlying Index regardless of their investment merit. The Scheme may be adversely impacted by a general decline in the Indian markets relating to its underlying Index. The AMC will not attempt to individually select securities or to take defensive positions in declining markets.

### **Risks associated with transaction in Units through Stock Exchange mechanism**

- In respect of transactions in Units of the Scheme routed through the BSE StAR MF platform or any other recognised stock exchange platform as intimated by the AMC, allotment and redemption of Units on any Business Day will depend upon the order processing/settlement by BSE, or such other exchange and their respective clearing corporations on which the Fund has no control. Further, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by BSE or such other recognised exchange in this regard.

### **Risk Mitigation Factors**

- Credit risk: Scheme shall replicate portfolio of Index comprising of Central Government securities which have minimal default risk.
- Interest Rate risk: The duration of the Scheme shall gradually come down as the target maturity date nears.
- Currency risk: Domestic investors would have no currency risk as scheme shall invest in securities in its base currency.
- Liquidity risk: Robust process for periodic monitoring of liquidity in asset side and liability side.
- Legal/Tax/Regulatory risk: This risk is dependent upon a future event and will be clearly communicated to the investor. There are enough disclaimers and disclosures already in place.

### **B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEMES/PLANS OF MUTUAL FUNDS**

The Scheme/Plan (s) shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/Plan(s). However, if such limit is breached during the NFO of the Scheme, the Fund will endeavour to ensure that within a period of three months or the end of the succeeding calendar quarter from the close of the NFO of the Scheme, whichever is earlier, the Scheme complies with these two conditions. In case the Scheme/Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme/Plan(s) shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25% limit. Failure on the part of the

said investor to redeem his exposure over the 25% limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

### **C. SPECIAL CONSIDERATIONS**

- The performance of the underlying index has a direct bearing on performance of the Scheme. In the event the Underlying Index is dissolved or is withdrawn by Index Service Provider or the agreement with the Index Service Provider is terminated for any reason, the Trustee reserves a right to modify the Scheme so as to track a different and suitable index and the procedure stipulated in the Regulations shall be complied with.
- From time to time and subject to the Regulations, the Sponsor, their associates, subsidiaries, the Mutual Fund and the AMC may invest directly or indirectly in the Scheme. These entities may acquire a substantial portion of scheme's units and collectively constitute a major investor in the Scheme. Accordingly, redemption of Units held by such entities may have an adverse impact on the Scheme because the timing of such redemption may impact the ability of other Unitholders to redeem their Units.
- As the liquidity of the Scheme investments could, at times, be restricted by trading volumes and settlement periods, the time taken by the Scheme for redemption of Units may be significant in the event of an inordinately large number of redemption requests or of a restructuring of the Scheme's portfolio. In view of this, the Trustees have the right, in their sole discretion to limit redemptions (including suspending redemption) under certain circumstances, as described under the section titled "Suspension of Redemption of units".
- Redemptions due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. The Trustees, the Mutual Fund, the AMC, their directors or their employees shall not be liable for any tax consequences that may arise.
- The Scheme at times may receive large number of redemption requests which may have an adverse impact on the performance of the Scheme and may also affect all the unit holders as the fund manager needs to liquidate securities to meet the redemptions post which the portfolio is likely to be less liquid.
- The tax benefits described in this SID are as available under the present taxation laws and are available subject to conditions. The information given is included for general purpose only and is based on advice received by the AMC regarding the law and practice in force in India and the investors should be aware that the relevant fiscal rules or their interpretation may change. In view of the individual nature of tax consequences, each investor is advised to consult his/her own professional tax advisor.

- The Mutual Fund/the AMC have not authorised any person to give any information or make any representations, either oral or written, not stated in this SID in connection with issue of Units under the Scheme. Prospective investors are advised not to rely upon any information or representations not incorporated in this SID as the same have not been authorised by the Fund or the AMC. Any subscription, purchase or sale made by any person on the basis of statements or representations which are not contained in this SID or which are inconsistent with the information contained herein shall be solely at the risk of the investor.
- To the best of the knowledge and belief of the Trustees and the AMC, information contained in this SID is in accordance with the SEBI regulations and the facts stated herein are correct and this SID does not omit anything likely to have an impact on the importance of such information.
- The AMC is also registered as a Portfolio Manager under the SEBI (Portfolio Managers) Regulations, 1993 vide registration no. INP000001322 and is deemed to be registered as such under SEBI (Portfolio Managers) Regulations, 2020. The AMC has proper systems and controls in place to ensure that there is no conflict of interest between the activity of managing the schemes of the Mutual Fund and the activity of Portfolio Management Services and there exist systems to prohibit access to insider information.
- Further, an asset management company, subject to certain conditions, may also permitted to undertake activities in the nature of management and advisory services to pooled assets including offshore funds, insurance funds, pension funds, provident funds or such categories of foreign portfolio investor subject to such conditions as may be specified by SEBI from time to time, if any of such activities are not in conflict with the activities of the mutual fund. Accordingly, the AMC is also providing non-binding advisory services to HSBC Group's offshore funds, which are appropriately regulated foreign portfolio investors investing in India, through the fund managers managing the schemes of the Fund, as permitted under Regulation 24(b) of the Regulations. SEBI vide its email dated November 26, 2020, accorded its no objection to the AMC for providing such non-binding investment advisory services to HSBC Group's offshore funds, which are appropriately regulated foreign portfolio investors, by the fund managers of the schemes of the Fund. The AMC has proper systems and controls in place to ensure that (a) there is no conflict of interest between the activities of managing the schemes of the Fund and other activities of the AMC; and (b) interest of the unit holders of the schemes of the Fund are protected at all times. In case of an unavoidable conflict of interest situation, the AMC shall make appropriate disclosures in an appropriate manner, which shall include the source of conflict, potential 'material risk or damage' to the Fund's investors' interests and detailed parameters for the same.

### Compliance under FATCA

India has executed an Inter-Governmental Agreement (IGA) with the U.S. and the Fund intends to take any measures that may be required to ensure compliance under the terms of the IGA and local implementing regulations. In order to comply with its FATCA

obligations, the Fund will be required to obtain certain information from its investors so as to ascertain their U.S. tax status. If the investor is a specified U.S. person, U.S. owned non-U.S. entity, non-participating FFI ("NPFFI") or does not provide the requisite documentation, the Fund may need to report information on these investors to the appropriate tax authority, as far as legally permitted. If an investor or an intermediary through which it holds its interest in the Fund either fails to provide the Fund its agents or authorised representatives with any correct, complete and accurate information that may be required for the Fund to comply with FATCA or is a NPFFI, Fund may be required to provide information about payment to NPFFI to upstream payor to enable them to make the appropriate FATCA withholding on NPFFIs. Further, we may be compelled to sell its interest in the Fund or, in certain situations, the investor's interest in the Fund may be sold involuntarily. The Fund may at its discretion enter into any supplemental agreement without the consent of investors to provide for any measures that the Fund deems appropriate or necessary to comply with FATCA, subject to this being legally permitted under the IGA or the Indian laws and regulations. FATCA is globally applicable from July 1, 2014 and in order to comply with FATCA obligations, the Fund will, seek additional information from investors while accepting applications, in order to ascertain their U.S. Person status. The Fund will not accept applications which are not accompanied with information/documentation required to establish the U.S. Person status of investors. Investors are therefore requested to ensure that the details provided under Section "Confirmation under Foreign Account Tax Compliance Act (FATCA) for determining US person status" of the application form are complete and accurate to avoid rejection of the application (updated forms are available with ISCs or on Fund's website – [www.assetmanagement.hsbc.co.in](http://www.assetmanagement.hsbc.co.in)).

These Terms and Conditions shall continue to apply notwithstanding the death, bankruptcy or incapacity of the investor, the closure of any investor account, the termination of HSBC's provision of the Services to the investor or the redemption of the investor's investment in the Fund.

### Common Reporting Standards

India has joined the Multilateral Competent Authority Agreement (MCAA) on automatic exchange of financial information in Tax Matters, commonly known as Common Reporting Standards ('CRS'). All countries which are signatories to the MCAA are obliged to exchange a wide range of financial information after collecting the same from financial institutions in their jurisdiction.

In accordance with Income Tax Act read with SEBI Circular nos. CIR/MIRSD/2/2015 dated August 26, 2015 and CIR/MIRSD/3/2015 dated September 10, 2015 regarding implementation of CRS requirements, it shall be mandatory for all new investors to provide details and declaration pertaining to CRS in the application form, failing which the AMC shall have authority to reject the application.

### Compliance with Volcker Rule

The Volcker Rule is a part of the U.S. Dodd Frank Act which prohibits U.S. banks from proprietary trading and restricts investment in hedge funds and private equity by commercial banks and their affiliates. HSBC Holdings plc, is a U.S. regulated bank holding company and any entity (company, fund, trust, partnership etc.) located anywhere in the world, that is directly or indirectly controlled by the parent company is subject to the Volcker Rule. The Volcker Rule is effective

from July 21, 2015. As part of HSBC's Volcker Conformance obligations, the Fund is required to implement a Compliance Programme to ensure on-going compliance with the Volcker Rule and the AMC must ensure that no HSBC affiliate (fund or business entity) invests in the Fund unless it has implemented necessary controls to ensure that the ownership limits, in line with the Volcker Rule, can be met. Hence, the Scheme may not be able to accept subscriptions from HSBC group entities into the Scheme, aggregating to more than 25% of the voting rights of the Scheme. In the event of the aggregate investment by HSBC group entities crossing the above limits, the AMC will have the discretion to reject any subscription/switch applications received or redeem any excess exposure by the group entities in the Scheme, to be in compliance with the Volcker Rule.

However, there is no assurance that the investment objective of the Scheme will be achieved.

### C. ASSET ALLOCATION OF THE SCHEME

# Pursuant to SEBI Circular no. SEBI/HO/IMD/DOF2/P/CIR/2022/69 dated May 23, 2022, the portfolio of the Scheme shall be considered to be replicating the index subject to following norms for permissible deviation in duration:

- Where the residual maturity of the portfolio is greater than 5 years: Either +/- 6 months or +/- 10% of duration, whichever is higher.
- Where the residual maturity of the portfolio is up to 5 years: Either +/- 3 months or +/- 10% of duration, whichever is higher.
- However, at no point of time, the residual maturity of any security forming part of the portfolio shall be beyond the target maturity date of the Scheme.

Further, any transactions undertaken in the Scheme in order to meet the redemption and subscription obligations shall be done while ensuring that post such transactions replication of the portfolio with the index is maintained at all points of time.

Further, the Scheme shall adhere to the following norms as specified in the aforesaid SEBI circular dated May 23, 2022:

- The constituents of the index shall be aggregated at issuer level for the purpose of determining investment limits for single issuer, group, sponsor, etc.
- Constituents of the index shall be periodically reviewed (at least on half-yearly basis).
- Single issuer limit shall not be applicable to the scheme.
- The rating of the constituents of the index shall be investment grade and above.
- The constituents of the index shall have a defined credit rating and defined maturity as specified in the index methodology.

During normal circumstances, the Scheme's exposure to money market instruments will be in line with the asset allocation table.

However, in case of maturity of securities in the Scheme portfolio, the reinvestment will be in line with the index methodology.

The cumulative gross exposure through G-Secs, T-bills, money market instruments including TREPS & reverse repo in government securities and such other securities/assets as may be permitted by the SEBI from time to time shall not exceed 100% of the net assets of the Scheme.

The Scheme will neither invest in derivatives, securitized debt, debt instruments having structured obligations or credit enhancements, credit default swaps, Commodity Derivatives, foreign securities nor will it engage in short selling, securities lending or repo in corporate debt securities. Also, the Scheme shall not invest in debt instruments with special features (viz. subordination to equity (absorbs losses before equity capital) and/or convertible to equity upon trigger of a pre-specified event for loss absorption, additional Tier I bonds and Tier 2 bonds issued under Basel III framework, etc.) as referred to in SEBI circular no. SEBI/HO/IMD/DF4/CIR/P/2021/032 dated March 10, 2021.

Under normal circumstances, the scheme shall be replicating the underlying index in the manner as specified under SEBI Circular no. SEBI/HO/IMD/DOF2/P/CIR/2022/69 dated May 23, 2022 as amended from time to time.

The AMC would monitor the Tracking Error of the Scheme on an ongoing basis and would seek to minimize the Tracking Error to the maximum extent possible. Under normal circumstances, the tracking error based on past one year rolling data shall not exceed 2%. In case of unavoidable circumstances in the nature of force majeure, which are beyond the control of the AMC, the tracking error may exceed 2% and the same shall be brought to the notice of Trustees with corrective actions taken by the AMC, if any.

### D. WHERE WILL THE SCHEME INVEST?

Subject to the Regulations, the corpus of the Scheme will mainly be invested in any (but not exclusively) of the following securities:

- The securities mentioned above could be listed, unlisted Government securities & Money Market Instruments other than Commercial Papers, privately placed, secured, unsecured, rated or unrated. The Scheme may also enter into repurchase and reverse repurchase obligations in government securities and Treasury bills (which qualify for repo transactions as per the SEBI regulations in this regard issued from time to time) held by it.

**\*\* Investments (if any) in unrated debt and money market instruments other than Government Securities and T-bills shall only be made in such instruments, including bills re-discounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in SEBI (Mutual Fund) Regulations, 1996 and various circulars issued thereunder. Further, such investments shall be made with the prior approval of the Board of AMC and the Board of trustees and exposure of the Scheme in such instruments shall not exceed 5% of the net assets of the Scheme.**

## **Portfolio re-balancing**

### **Rebalancing due to Short Term Defensive Consideration**

Due to market conditions, the AMC may invest beyond the range set out in the asset allocation. Such deviations shall normally be for a short term and defensive considerations as per SEBI Circular no. SEBI/HO/IMD/DF2/CIR/P/2021/024 dated March 4, 2021, and the fund manager will rebalance the portfolio within 7 calendar days from the date of deviation.

### **Change in Investment Pattern**

Subject to the Regulations, the asset allocation pattern indicated above for the Scheme may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the Investment Manager, the intention being at all times to seek to protect the interests of the Unitholders, and meet the objective of the Scheme. Such changes in the investment pattern will be for short term and defensive consideration.

Provided further and subject to the above, any change in the asset allocation affecting the fundamental attribute(s) of the Scheme(s) shall be effected in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations, as detailed in this SID.

### **Procedure followed for Investment Decisions**

The Fund Manager of the Scheme is responsible for making buy/sell decisions in respect of the securities in the Scheme's portfolio with the aim of achieving the investment objective of the Scheme. The investment decisions are made after taking into consideration the market conditions and all relevant aspects.

The Board of the AMC has constituted an Investment Management Committee that meets at periodic intervals. The Investment Management Committee, at its meetings, reviews all investments including investments in unrated debt instruments. The approval of unrated debt instruments is based on parameters laid down by the Board of the AMC and the Trustees. The details of such investments are communicated by the AMC to the Trustees in their periodical reports along with a disclosure regarding how the parameters have been complied with. Such reporting shall be in the manner prescribed by SEBI from time to time. The Committee also reviews the performance of the Scheme and general market outlook and formulates the broad investment strategy at their meetings.

It is the responsibility of the AMC to ensure that the investments are made as per the internal/Regulatory guidelines, Scheme investment objective and in the best interest of the Unitholders of the Scheme. The Scheme may follow internal guidelines as approved by the Board of the AMC and the Trustees from time to time.

The AMC reserves the right to modify, alter, add, delete any internal limits from time to time, in accordance with Group policies.

The Chief Investment Officer and Fund Manager - Fixed Income will present to the Board of the AMC and the Trustees periodically, the performance of the Scheme. The performance of the Scheme will be reviewed by the Boards with reference to their appropriate benchmark.

The Chief Investment Officer and Fund Manager will bring to the notice of the AMC Board, specific factors if any, which are impacting the performance of the Scheme. The Board on consideration of all

relevant factors may, if necessary, give appropriate directions to the AMC. Similarly, the performance of the Scheme will be submitted to the Trustees. The Head of Fund Management – Fixed Income will explain to the Trustees, the details on the Scheme's performance vis-à-vis the benchmark returns. The AMC will keep a record of all investment decisions.

## **E. INVESTMENT STRATEGY**

The Scheme is a target maturity index fund which will employ an investment approach designed to track the performance of CRISIL-IBX Gilt Index - June 2027. The scheme would seek to replicate the underlying index in the manner as specified under SEBI Circular no. SEBI/HO/IMD/DOF2/P/CIR/2022/69 dated May 23, 2022 as amended from time to time. Where the scheme is not able to replicate the underlying index, the scheme would adhere to the requirements stipulated in said SEBI circular dated May 23, 2022 and other SEBI Guidelines/Circulars issued from time to time.

The Scheme will follow Buy & Hold investment strategy in which existing securities will be held till maturity unless sold for meeting redemptions, payment of IDCW, rebalancing requirement or optimizing portfolio construction process.

### **Tracking Error**

Tracking error is defined as the annualized standard deviation of the difference in daily returns between the underlying index and the NAV of the Scheme. Theoretically, the corpus of the Scheme has to be fully invested in the securities so as to replicate the underlying Index in the same proportion of weights as the securities have in the underlying Index. However, deviations from the stated Index replication may occur due to reason that the Scheme has to incur expenses, corporate actions, regulatory policies which may affect AMC's ability to achieve close correlation with the underlying Index of the Scheme, delay in purchase or non-availability of underlying securities forming part of the Index, etc. Tracking Error may arise due to the following reasons:

1. Delay in purchase or non-availability of underlying securities forming part of the Index.
2. Delay in liquidation of securities which have been removed from the Index.
3. Difference in valuation of underlying securities by the Index provider and AMC's valuation providers.
4. Fees and expenses of the Scheme.
5. Cash balance held by the Scheme due to coupon flows, redemption, etc.
6. Halt in trading.
7. Corporate actions.
8. The Scheme has to invest in the securities in whole numbers and has to round off the quantity of securities.
9. Interest/Dividend Payout.
10. Changes in the constituents of the underlying Index. Whenever there are any changes, the Scheme has to reallocate its investment as per the revised Index but market conditions may not offer an opportunity to rebalance its portfolio to match the Index and such delay may affect the NAV of the Scheme.

The AMC would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. Under normal market circumstances, the tracking error based on past one year rolling data shall not exceed 2%. In case of unavoidable circumstances in the nature of force majeure, which are beyond the control of the AMC, the tracking error may exceed 2% and the same shall be brought to the notice of Trustees with corrective actions taken by the AMC, if any. There can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to performance of the underlying Index.

The Scheme shall disclose the tracking error based on past one year rolling data, on a daily basis, on the website of the AMC and AMFI.

## Tracking Difference

Along with tracking error, tracking difference i.e. the annualized difference of daily returns between the index and the NAV of the Scheme shall also be disclosed on the website of the AMC and AMFI, on a monthly basis, for tenures 1 year, 3 years, 5 years, 10 year and since the date of allotment of units.

Further, the annualized tracking difference averaged over one year period shall not exceed 1.25%. In case the average annualized tracking difference over one year period for the Scheme is higher than 1.25%, the same shall be brought to the notice of trustees with corrective actions taken by the AMC, if any.

## Position of Debt Markets in India

The major players in the Indian debt markets today are banks, financial institutions, insurance companies and mutual funds. The instruments in the market can be broadly categorised as those issued by corporates, banks, financial institutions and those issued by state/central governments. The risks associated with any investment are - credit risk, interest rate risk and liquidity risk. While corporate papers carry credit risk due to changing business conditions, government securities are perceived to have zero credit risk. Interest rate risk is present in all debt securities and depends on a variety of macroeconomic factors. The liquidity risk in the corporate securities market is higher as compared to that in case of government securities. Liquidity in the corporate debt market has been improving due to the entry of more players and due to various measures taken by the regulators in this direction over a period of time. SEBI's directive of a compulsory rating by a rating agency for any public issuance over 18 months, dematerialisation, entry of private insurance companies, listing of debt securities and growth of fixed income mutual funds have enhanced liquidity in the corporate debt market. The setting up of clearing corporations, real time gross settlement and electronic clearing system for government securities have considerably enhanced the depth and width of the Indian debt markets and bringing it at par with developed markets.

The following table attempts to give a broad overview of the available instruments in the financial markets and their risk - return profile. The data is based on the market conditions as on the date of the Offer Document and may vary substantially depending upon the factors and forces affecting the securities market including the fluctuations in the interest rates.

**The indicative yields and liquidity on various securities as on March 31, 2023 are as under :-**

## Portfolio Turnover

Portfolio turnover is defined as lesser of purchases and sales as a percentage of the average corpus of the Scheme during a specified period of time. The Scheme being an open-ended Scheme, it is expected that there would be a number of subscriptions and redemptions on a daily basis. Consequently, it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio(s). Active asset allocation would impact portfolio turnover.

## Investments by the AMC in the Scheme

The AMC may invest at any time during the continuous offer period subject to the SEBI Regulations & circulars issued by SEBI and to the extent permitted by its Board of Directors from time to time.

As per the existing SEBI Regulations, the AMC will not charge investment management and advisory fee on the investment made by it in the Scheme.

## Segregated Portfolio

In order to ensure fair treatment to all investors in case of a Credit Event and to deal with liquidity risk, SEBI (vide its circular no. SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018) has allowed creation of Segregated Portfolio of debt and money market instruments by mutual fund schemes.

Benefits associated with Segregated Portfolio

The creation of Segregated Portfolio is aimed at ring fencing a bad asset and restrict cascading effect of illiquidity on the rest of portfolio. This will ensure fair treatment to all investors in case of a Credit Event and allow HSBC AMC to deal with liquidity risk. This offers advantage to the investors in following ways:

- Protecting interest of the investors – It protects investors from exits of large investors as segregation of bad assets help in stabilizing the NAV and minimize panic redemptions, thereby providing a cushion to the liquid portfolio of the Scheme.
- Fair treatment to the investors – New investors coming to the Scheme (Main Portfolio) after the Credit Event will neither get benefit of subsequent recovery, if any, of the bad assets nor will they have to bear the cost of further reduction in value of bad assets. Furthermore, an existing investor exiting from the liquid portfolio (Main Portfolio) after the Credit Event shall still be entitled to receive his portion of subsequent recovery of bad assets in the Segregated Portfolio.

**The salient features of creation of Segregated Portfolio is given as below:**

### Creation of Segregated Portfolio

Creation of Segregated Portfolio shall be subject to guidelines specified by SEBI from time to time and includes the following:

- Segregated Portfolio may be created, in case of a Credit Event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:
  - Downgrade of a debt or money market instrument to 'below investment grade', or
  - Subsequent downgrades of the said instruments from 'below investment grade', or
  - Similar such downgrades of a loan rating.

- 2) In case of difference in rating by multiple CRAs, the most conservative rating shall be considered. Creation of Segregated Portfolio shall be based on issuer level Credit Events as mentioned above and implemented at the ISIN level.
- 3) In case of unrated debt or money market instruments of an issuer that does not have any outstanding rated debt or money market instruments, actual default of either the interest or principal amount by the issuer of such instruments shall be considered as a Credit Event for creation of Segregated Portfolio.
- 4) Creation of Segregated Portfolio is optional and is at the discretion of the AMC.

  - e. All existing investors in the scheme as on the day of the Credit Event will be allotted equal number of units in the Segregated Portfolio as held in the Main Portfolio.
  - f. No redemption and subscription will be allowed in the Segregated Portfolio. However, upon recovery of any money from Segregated Portfolio, it will be immediately distributed to the investors in proportion to their holding in the Segregated Portfolio.
  - g. The AMC shall enable listing of units of Segregated Portfolio on the recognized stock exchange within 10 working days of creation of Segregated Portfolio and also enable transfer of such units on receipt of valid transfer requests.
- 3) If the Trustee do not approve the proposal to segregate portfolio, the AMC will issue a press release immediately informing investors of the same.

## Disclosure

The AMC shall make necessary disclosures as mandated by SEBI, in statement of account, monthly/half yearly portfolio statements, KIM, SID, Scheme Advertisements, Scheme Performance data, AMC's website and at other places as may be specified.

The information regarding number of Segregated Portfolio(s) created in a scheme shall appear prominently under the name of the Scheme at all relevant places such as SID, KIM-cum-Application Form, advertisement, AMC and AMFI websites, etc.

The NAV of the Segregated Portfolio shall be declared on daily basis.

Further, the investors of the Segregated Portfolio shall be duly informed of the recovery proceedings of the investments of the Segregated Portfolio. Status update may be provided to the investors at the time of recovery and also at the time of writing-off of the segregated securities.

## Total Expense Ratio (TER) for the Segregated Portfolio

- 1) The AMC will not charge investment and advisory fees on the Segregated Portfolio. However, TER (excluding the investment and advisory fees) can be charged, on a pro-rata basis only upon recovery of the investments in Segregated Portfolio.
- 2) The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the Main Portfolio (in % terms) during the period for which the Segregated Portfolio was in existence.
- 3) The legal charges related to recovery of the investments of the Segregated Portfolio may be charged to the Segregated Portfolio in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as applicable to the Main Portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the AMC.
- 4) The costs related to Segregated Portfolio shall in no case be charged to the Main Portfolio.

## Monitoring by Trustees

The Trustee will monitor the compliance of the SEBI Circular in respect of creation of Segregated Portfolio and disclosure in this respect shall be made in Half-Yearly Trustee reports filed with SEBI.

In order to avoid mis-use of Segregated Portfolio, Trustees shall have a mechanism in place to negatively impact the performance incentives of fund managers, Chief Investment Officers, etc. involved in the investment process of securities under the Segregated Portfolio, mirroring the existing mechanism for performance incentives of the AMC, including transfer of such impacted amount to the Segregated Portfolio.

## Risks associated with Segregated Portfolio

**Liquidity risk** – Segregated Portfolio is created to separate debt and money market instruments affected by a Credit Event from the

Main Portfolio of the Scheme. The Fund will not permit redemption of the Segregated Portfolio units, but the units will be listed on a recognized stock exchange. The Fund is not assuring any liquidity of such units on the stock exchange. Further, trading price of units on the stock exchange may be significantly lower than the prevailing NAV. Investors can continue to transact (subscribe/redeem) from the Main Portfolio.

**Credit risk** – While the AMC will put in sincere efforts to recover the securities in the Segregated Portfolio and distribute the same to unit holders, it is likely that such securities may not realise any value leading to losses to investors.

incoming and outgoing investors and NAV shall get adjusted for swing factor.

- Swing pricing shall be made applicable to all unitholders at PAN level with an exemption for redemptions upto Rs. 2 lacs under the scheme.
- The Scheme performance shall be computed based on unswung NAV.
- Disclosures pertaining to NAV adjusted for swing factor along with the performance impact shall be made in the prescribed format in the SID and in scheme wise Annual Reports and Abridged summary and the same may be disclosed on the website of the Fund prominently only if swing pricing framework has been made applicable for the scheme.

### Notes:

#### 1. What is Swing Pricing?

There are trading and associated transaction costs involved when there are significant inflows into or significant outflows from the scheme. Also, such large flows can have impact on the price at which securities are transacted by the scheme. Such costs as a result of significant flows fall not on only those investors who have just transacted but on all the investors in the fund thereby diluting the value of existing investors' holding. Introduction of Swing pricing aims to protect the interest of the existing investors from some of the performance dilution that they may suffer as a result of significant inflows and outflows from the scheme.

It is a process whereby the NAV of the Scheme is swung or adjusted with a specified factor (%) as tabulated above to effectively pass on such costs (caused by significant inflow/outflow) to the investors associated with such flows.

#### 2. Under which circumstances it is triggered?

Swing pricing will be triggered under following scenarios:

- A market dislocation is declared by SEBI; and
- The Scheme meets the criteria specified under point 2 i) & ii) above; and

#### 3. There is a net redemption under the Scheme i.e. total outflow for the day exceeds the total inflow for the day.

#### 4. For how many days swing pricing shall be applicable?

It will be applicable for the period as specified by SEBI from time to time.

#### 5. What is the inflow/outflow threshold for triggering the swing pricing factor?

Currently swing pricing will be applicable only in case of net outflows (without any threshold) in the scheme.

#### 6. Illustration explaining the effect of swing price on the NAV for incoming and outgoing investors:

#### Assumption:

- Applicable mandatory swing pricing factor: 1% (i.e. scheme classified under cell A-III of the PRC matrix)
- Normal NAV of the Scheme is: Rs. 100/- per unit

#### Computation of Swing NAV:

$100 - (100 \times 1\%) = \text{Rs. } 99/- \text{ per unit}$

Exit load, if any, shall be applicable on the swung NAV.

## Methodology

- Weights of the G-sec securities and T-bills Securities in the Index will be 98% and 2% respectively.
- Securities Selection methodology in G-Sec are as follows:
  - All securities selected will have a maturity date in the eligible period of G-sec which is from 1st January 2027 to 30th June 2027
  - All Securities are selected on the basis of Amount Outstanding.
  - Minimum Amount Outstanding should be Rs. 25000 crores.
  - Surrogate bonds (namely Food Corporation of India bonds, Oil bonds, Fertilizer bonds and UTI Special Bonds), STRIPS and Floating rate bonds shall be kept out of the purview of the selection process
  - Weights to individual securities will be calculated in the ratio of amount outstanding (30% weightage) and liquidity score (70% weightage).
  - Eligible securities will be added on a 6 monthly basis and weights will be redistributed based on ratio of amount outstanding (30% weightage) and liquidity score (70% weightage).
- Securities Selection methodology in T-Bills are as follows:
  - Three 91-Day T-Bill will be selected by rebalancing on a bi-monthly basis.

  - The maturity date of such T-bill selected should not be greater than the maturity of the fund.
  - In case no such 91 Day on-the-run T-Bill is available closer to the maturity date of the fund, T-Bill that is closest to the maturity date but maturing before the maturity date of index will be selected.
  - If such T-Bill matures as well, the proceeds will be invested in TREPS.
  - The T-bills will be weighted equally on each rebalancing date.
- As the index includes securities that shall mature during the 6-period ending on the final maturity date of the index, any proceeds from the redemption of securities prior to the final maturity date of the index shall be reinvested according to following waterfall approach –
  - The proceeds from security redemption will be reinvested in the longest maturity outstanding government security issued and maturing on or just before the index maturity date.
  - In case a replacement in the form of another outstanding government security cannot be found for reinvestment then the proceeds from such redemption shall be reinvested in the remaining portfolio on the same date in the proportion of the existing weights.
  - In case due to any reason, it is not possible to meet the requirements stated in point (a) and (b) above, then the proceeds from such redemption shall be reinvested in a T-Bill maturing on or just before the index maturity date.
  - If the last outstanding security (including T-Bill) in the index matures before the final index maturity date, all redemption proceeds shall be assumed to be re-invested in The Clearing Corporation of India Ltd.'s (CCIL) TREPS overnight rate for any subsequent days till the maturity of the index.

- The relative weights of the Government securities and asset classes will change due to price movement and will be reset during the 6 monthly rebalancing.

## 2. Dividend Distribution Policy

The Trustees propose to follow the below dividend distribution policy:

Investors may please note that amounts distributed under Income Distributable cum capital withdrawal options and sub-options, can be made out of investors capital (Equalization Reserve), which is a part of sale price that represents realized gains.

Declaration of dividend is subject to the availability of distributable surplus. Such dividends if declared, will be paid under normal circumstances, only to those Unitholders who have opted for Income Distribution cum capital withdrawal option (IDCW) with specified sub-options. Further, no entry/exit load shall be charged for units allotted under Reinvestment of IDCW option.

However, it must be distinctly understood that the actual declaration of dividends under the Scheme and the frequency thereof will, inter-alia, depend upon the distributable surplus of the Scheme, as computed in accordance with SEBI Regulations. The Trustees reserve the right of dividend declaration and to change the frequency, date of declaration and the decision of the Trustees in this regard shall be final. There is no assurance or guarantee to Unit holders as to the rate of dividend distribution nor that dividend will be regularly paid.

The dividend that may be paid out of the distributable surplus of the Scheme will be paid only to those Unit holders whose names appear in the register of Unit holders on the notified record date. In case of Units held in dematerialized mode, the Depositories (NSDL/CDSL) will give the list of demat account holders and the number of units held by them in demat form on the Record Date to the Registrars and Transfer Agent of the Mutual Fund. The dividend will be at such rate

as may be decided by the AMC in consultation with the Trustees.

Investors may please note that amounts distributed under Income Distributable cum capital withdrawal options and sub-options, can be made out of investors capital (Equalization Reserve), which is a part of sale price that represents realized gains.

Under the Growth Option, income earned on the Scheme's corpus will remain invested in the Scheme and will be reflected in the Net Asset Value (NAV). Unit holders who opt for this Option will not receive any dividend in normal circumstances. Under the Income Distribution cum capital withdrawal option, it is proposed to distribute dividends at regular intervals, subject to availability of distributable profits, as computed in accordance with SEBI Regulations. Investors in the Scheme have the choice of opting for either payout or reinvestment of dividend, as stated above. Subsequent to the declaration of dividend, NAV of the Income Distribution cum capital withdrawal Option and Growth Option will be different.

## 7. The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same:

(Kindly refer the application form for Demat available on the Fund's website, [www.assetmanagement.hsbc.co.in](http://www.assetmanagement.hsbc.co.in)). Units will be credited to the investor's demat account after due verification and confirmation from NSDL/CDSL of the demat account details. The bank mandate registered in the demat account will be treated as the valid bank mandate for the purpose of payout by the Fund. The option to subscribe/hold Units in demat form shall be in accordance with the guidelines/procedural requirements laid down by the Depositories (NSDL/CDSL) from time to time.

The option to hold Units in demat mode also includes allotment of Units made through SIP transactions in any scheme of the Fund, which offers the SIP facility. The asset management company shall issue units in dematerialized form to a unit holder in a scheme within two working days of the receipt of request from the unit holder.

## 9. Restrictions, if any, on the right to freely retain or dispose of units being offered

### i) Transfer & Transmission of Units

The Unit holders are given an option to hold the Units by way of an Account Statement (physical form) or in Dematerialized (demat form). As described below, units held in Demat mode as well as in physical form (account statement) are transferable.

**Transfer of units held in Demat mode:** Such units are transferable (subject to lock-in period, if any and subject to lien, if any marked on the units) in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 2018, as may be amended from time to time. Transfer can be made only in favor of transferees who are capable of holding Units and having a Demat Account. The delivery instructions for transfer of Units will have to be lodged with the DP in requisite form as may be required from time to time and transfer will be effected in accordance with such rules/regulations as may be in force governing transfer of securities in dematerialized mode.

Further, for the procedure of release of lien, the investors shall contact their respective DP.

**Transfer of units held in Physical form:** Units held in physical form are normally not certified. However, if an applicant so desires to transfer units, the AMC, upon submission of documents which will be prescribed from time to time, shall certify the units and issue a fresh statement/certificate to the extent of certified units to the investor within 5 business days of the receipt of request. If the investor intends to transfer units, it could be done to the extent of certified units mandatorily using the statement/certificate issued post certification of units. Certificate/statement issued post certifying of units must be duly discharged by the Unit holder(s) and surrendered along with the request for Transfer. AMC reserves the right to accept the request for certification of units. The AMC reserves the right to reject the application for transfer, post acceptance of the same, if any of the requisite documents/declarations are unavailable or incomplete. Also, unitholders are required to surrender the certificate/statement in case they wish to carry out any other transactions (such as redemption, switch, etc.) post unit certification.

A person becoming entitled to hold the Units in consequence of the death, insolvency, or winding up of the sole holder or the survivors of joint holders, upon producing evidence and documentation to the satisfaction of the Fund and upon executing suitable indemnities in favor of the Fund and the AMC, shall be registered as a Unit holder if the transferee is otherwise eligible to hold the Units.

Where the Units of the Plan(s) are issued in demat form in the Demat account of the investor, the nomination as registered with the DP will be applicable to the Units of the Plan(s). A Nominee/legal heir approaching the Fund for Transmission of Units must have beneficiary account with a DP of CDSL or NSDL, since the Units shall be in demat mode. It may be noted that the nominee/legal heir is required to provide a copy of his/her PAN card as well as fulfill the Know Your Customer (KYC) requirements which is a pre-requisite for the transmission process.

In the event of transmission of units to a Minor, documents submitted including KYC, bank attestation, indemnity etc. should be of the guardian of the minor.

Investor(s) claiming transmission of Units in his/their name(s) are required to submit prescribed documents based on the kind of scenario for transmission. Kindly refer the Fund's website ([www.assetmanagement.hsbc.co.in](http://www.assetmanagement.hsbc.co.in)) for a ready reckoner matrix of necessary documents under different transmission scenarios. The Fund may also seek additional documents if the amount involved is above Rs. 2 lacs, on a case to case basis or depending upon the circumstances of each case.

#### **Processing of Transmission-cum-transaction requests:**

If an investor submits either a financial or non-financial transaction request along with transmission request, then such transaction requests will be processed after the Units are transferred in the name of new unit holder and only upon subsequent submission of fresh request from the new unit holder post transmission. Under normal circumstances, the Fund will endeavor to process the transmission request within 10 business days, subject to receipt of complete documentation as applicable. The AMC reserves the right to insist on transmission along with redemption request by the claimant at any point deemed necessary.

#### **ii) Lien/Pledge**

If in conformity with the guidelines and notifications issued by SEBI/Government of India/any other regulatory body from time to time, Units under the Scheme may be offered as security by way of a pledge/charge in favour of scheduled banks, financial institutions, non-banking finance companies (NBFCs), or any other body.

**Units held in physical form:** The AMC and/or the ISC will note and record such pledged/Lien marked Units. A standard form for this purpose is available on request from any ISC. Disbursement of such loans will be at the entire discretion of the bank/financial

institution/NBFC or any other body concerned and the Mutual Fund assumes no responsibility thereof. The Pledgor will not be able to redeem/switch Units that are pledged until the entity to which the Units are Lien marked/pledged provides written authorization to the Mutual Fund that the pledge/lien charge may be removed. As long as Units are Lien marked/pledged, the pledgee will have complete authority to redeem such Units.

The distributions in the nature of dividends which are paid out on Lien marked/pledged Units shall be made in favor of the investor, unless understood and accepted between the unit holder(s) and financier/lender.

**Units held in dematerialized form:** In case of Units held in dematerialized form, the rules of Depository will be applicable for Lien marking/Pledge of the Units of the Scheme. Units can be Lien marked/pledged by completing the requisite forms/formalities as may be required by the Depository.

The AMC reserves the right to change the procedure for Lien marking/pledge of MF Units from time to time.

#### **iii) Fractional Units**

Since a request for redemption or purchase is generally made in rupee amounts and not in terms of number of Units of the Scheme, an investor may be left with fractional Units. Fractional Units will be computed and accounted for up to three decimal places for the Scheme. However, fractional Units will in no way affect the investor's ability to redeem the Units, either in part or in full, standing to the Unitholder's credit.

#### **iv) Suspension of Sale/Repurchase/Switch of Units**

The Mutual Fund at its sole discretion reserves the right to withdraw sale or switch - in of the Units in the scheme temporarily or indefinitely, if in the opinion of the AMC, the general market conditions are not favourable and/or suitable investment opportunities are not available for deployment of funds.

The sale or switch - in of the Units may be suspended under the following conditions:

- When one or more stock exchanges or markets, which provide basis for valuation for a substantial portion of the assets of the Scheme is closed otherwise than for ordinary holidays.
- In the event of breakdown in the means of communication used for the valuation of investments of the Scheme, without which the value of the securities of the scheme cannot be accurately calculated.
- During periods of extreme volatility of markets, which in the opinion of the AMC are prejudicial to the interests of the Unitholders of the Scheme.
- In case of natural calamities, strikes, riots and bandhs.
- In the event of any force majeure or disaster that affects the normal functioning of the AMC, ISC or the Registrar.
- If so directed by SEBI.

Further, an order to purchase Units is not binding on and may be rejected by the Trustees, the AMC or their respective agents, until it has been confirmed in writing by the AMC or its agents and payment has been received.

#### **v) Suspension of Redemption of units**

- In line with SEBI Circular No. SEBI/HO/IMD/DF2/CIR/P/2016/57 dated May 31, 2016 and as amended from time to time, the AMC may, subject to specific approval of the Boards of AMC and Trustees, impose restrictions on redemptions (including switch-out) in the scheme(s) if there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as:

- a) Liquidity issues in the market at large.
- b) Market failures and/or exchange closures due to unexpected

events relating to, but not limited to, political, economic, military, monetary or other emergencies.

- c) Operational issues due to exceptional circumstances like force majeure, unpredictable operational problems and technical failures.
- Restriction on redemption may be imposed for a specific period of time not exceeding 10 working days in any 90 days period.
- Any imposition of restrictions on redemption will be informed to SEBI.
- In the event that redemption restrictions are imposed by the AMC, in addition to above requirements, the AMC will ensure the following:
  - a) Redemption request up to Rs. 2 lakh shall not be subject to such restriction.
  - b) For redemption request above Rs. 2 lakh, the AMC shall redeem the first Rs. 2 lakh without such restriction and the remaining part over and above Rs. 2 lakh, shall be subject to restriction, as may be imposed.

#### vi) Freezing/Seizure of Accounts

Investors may note that under the following circumstances the Trustee/AMC may at its sole discretion (and without being responsible and/or liable in any manner whatsoever) freeze/seize a Unit holder's account (or deal with the same in the manner the Trustee/AMC is directed and/or ordered) under the Scheme:

- Under any requirement of any law or regulations for the time being in force.

#### vii) Third party Cheques

- a) Third party payments (i.e where payment is made from a source other than that of the first holder) will not be accepted by the Fund, except if made under the following exceptional categories, namely i) as gift by parents/grandparents/related persons in favour of minor, not exceeding Rs. 50,000/-, ii) employer on behalf of employee as payroll deductions or deductions out of expense reimbursements for SIP/Lumpsum investments, iii) Custodian on behalf of FPI/client and iv) Payment by Asset Management Company (AMC) to a Distributor empanelled with it on account of commission/incentive etc. in the form of the Mutual Fund Units of the Funds managed by the AMC through Systematic Investment Plans or Lumpsum Investment (w.e.f January 16, 2012). v) Payment by a Corporate to its Agent/Distributor/Dealer, on account of commission or incentive payable for sale of its goods/services, in the form of the Mutual Fund Units through Systematic Investment Plan or Lumpsum Investment (w.e.f. Such declaration to be submitted in original & in the prescribed standard format and unique across each lumpsum investment. (Declaration formats can be obtained from ISCs or downloaded from the Fund's website.)

Hence, joint holders may pre-register their bank accounts (single/multiple) with the AMC/RTA, by completing the Multiple Bank Account Registration Form, if they intend to make payment on behalf of other joint holder(s) in the folio. In such cases the application will be accepted and not treated as a third party payment.

#### x) Prevention of Money Laundering and Know Your Client (KYC) Norms

KYC (Know Your Customer) norms are mandatory for all unit holders, including for all joint holders and the guardian in case of folio of a minor investor for transacting in Mutual Funds. Accordingly, financial transactions (including redemptions, switches and all types of systematic plans) and non-financial requests will not be processed if the unit holders (including POA holder) have not completed KYC requirements. Investors are requested to note that all investors are required to be KRA (KYC Registration Agency) KYC compliant. Those investors who had obtained MF KYC compliance through CVL (KYC registration authority till 31 December 2011) are required to submit necessary supporting(s) and update the missing information to be in compliance with the uniform KYC requirement laid down by SEBI.

Pursuant to SEBI circular dated December 26, 2013 on uniform KYC norms, certain information from Part I of the standard KYC application form, sourced by KRA (KYC Registration Agency) has been shifted to Part II which captures information specific to the area of activity of an intermediary. The Government of India has authorized the Central Registry of Securitization and Asset Reconstruction and Security interest of India (CERSAI, an independent body), to perform the function of Central KYC Records Registry including receiving, storing, safeguarding and retrieving KYC records in digital form. Accordingly, in line with SEBI circular nos. CIR/MIRSD/66/2016 dated July 21, 2016 and CIR/MIRSD/120/2016 dated November 10, 2016 on Operationalisation of Central KYC (CKYC), read with AMFI Best Practice Guidelines circular No. 68/2016-17 dated December 22, 2016 and circular no. AMFI/35-P/Mem-Cor/32/2017-18 dated January 5, 2018, new individual investors investing into the Fund are requested to note the following changes, from February 1, 2017.

1. New individual investors who have never done KYC under KRA (KYC Registration Agency) regime and whose KYC is not registered or verified in the KRA system, will be required to fill the new CKYC form while investing with the Fund.
2. If any new individual investor uses the old KRA KYC form which does not have all the information needed for registration with CKYC, such investor will be required to either fill the new CKYC form or provide the missing/additional information using the Supplementary CKYC form.
3. Investors who have already completed CKYC and have a KYC Identification Number (KIN) from the CKYC Registry can invest in schemes of the Fund quoting their 14 digit KIN in the application form. Further, in case the investor's PAN is not updated in CKYC system, a self-certified copy of PAN Card will need to be provided.

### **Updation of Permanent Account Number (PAN) for transactions in HSBC Mutual Fund**

Investors are requested to note that PAN is mandatory for all financial transactions in schemes of the Fund, with respect to all unitholders in the folio. Accordingly, any financial transactions received without PAN, in respect of non-PAN-exempt folios, shall be rejected in case the copy of the PAN card is not submitted earlier to the Fund or along with the transaction. The AMC reserves the right to keep on hold the transaction till the PAN is validated by the AMC/Registrar.

The investors who have not provided the copy of PAN card to the AMC or not completed the KYC process at the time of investing in any of the schemes of the Fund, are advised to provide a copy of self-attested PAN card by submitting 'KYC Change Request Form' which is available on our website <https://www.assetmanagement.hsbc.co.in/en/mutual-funds>.

## **10. Sale, Repurchase and Switch of Units on On-going Basis**

The Units of the Scheme are available for sale, repurchase and switch at applicable NAV based prices, subject to prevalent load provisions, if any, on every business day.

### **i) Sale (Purchase) of Units**

The Units of the Scheme will be available at the sale price, which

is based on the Applicable NAV, subject to sales load and subject to the minimum application amount specifications. Subscriptions on an ongoing basis will be made only by specifying the amount to be invested and not the number of Units to be subscribed. The total number of Units allotted will be determined with reference to the applicable sale price and fractional Units may be created. Fractional Units will be computed and accounted for up to three decimal places for all Scheme. Fractional Units will in no way affect the investor's ability to redeem Units. The AMC reserves the right to review the terms of acceptance of subscription requests and reserves the right to change the basis for subscription from amount basis to any other basis, subject to the SEBI Regulations. Refer Section III.8 v) on 'Suspension of Sale/Repurchase/Switch of Units.'

### **ii) Repurchase (Redemption) of Units**

The repurchase request can be made on a pre-printed form or by such other method(s) as may be acceptable to the Fund/AMC from time to time. Such request should be submitted at any of the Investor Service Centres/Designated Collection Centres.

The repurchase would be permitted to the extent of credit balance in the Unitholder's account. The repurchase request can be made by specifying the rupee amount or the number of Units to be repurchased. Repurchase requests can be made for a minimum amount of Rs. 500/- (Rupees Five Hundred Only) and in multiples of Re. 1/- (Rupee One Only) thereafter or 50 units and in multiples of 0.01 unit thereafter. Where a request for a repurchase is for both amount and number of Units, the amount requested for repurchase will be considered as the definitive request.

If the balance in the Unitholder's account does not cover the amount of repurchase request, then the Mutual Fund is authorised to close the account of the Unitholder and send the entire such (lesser) balance to the Unitholder. In case an investor has purchased Units on more than 1 Business Day, the Units purchased prior in time (i.e. those Units which have been held for the longest period of time), will be deemed to have been redeemed first i.e. on a First-in-First-Out basis.

Unitholders may also request for redemption of their entire holding and close the account by indicating the same to the Fund/AMC. Where however, the Unitholder wishes to redeem Units for a specified amount, then the amount to be paid on redemption will be divided by the redemption price, and the resultant number of Units will be redeemed.

In case the Units are standing in the names of more than one Unitholder, where mode of holding is specified as 'Joint', redemption requests will have to be signed by ALL joint holders. However, in cases of holding specified as 'Anyone or Survivor', any one of the Unitholders will have the power to make redemption requests, without it being necessary for all the Unitholders to sign. However, in all cases, the proceeds of the redemption will be paid to the first-named holder only. A fresh Account Statement/Transaction Confirmation will be sent to the redeeming investors, indicating the new balance to the credit in the Account.

The redemption cheque will be issued in favour of the Sole/First Unitholder's registered name and bank account number, and will be mailed to the registered address of the Sole/First holder as indicated in the original Application Form. The Fund may also directly credit the investor's bank account with the redemption proceeds, in lieu of issue of redemption cheque. The redemption cheque will be payable at par at all the places where the Investor Service Centres are located. The bank charges for collection of cheques at all other places will be borne by the AMC.

Further, as Units may not be held by any person in breach of the Regulations, law or requirements of any governmental, statutory authority including, without limitation, Exchange Control Regulations, the Mutual Fund may mandatorily redeem all the Units (except for Units under Segregated Portfolio) of any Unitholder where the Units are held by a Unitholder in breach of the same.

The Trustees may mandatorily redeem Units (except for Units under Segregated Portfolio) of any Unitholder in the event it is found that

the Unitholder has submitted information either in the application or otherwise that is false, misleading or incomplete.

If a Unitholder makes a redemption request immediately after purchase of Units, the Fund shall have a right to withhold the redemption request till sufficient time has elapsed to ensure that the amount remitted by him (for purchase of Units) is realised and the proceeds have been credited to the concerned Scheme's Account. However, this is only applicable if the value of redemption is such that some or all of the freshly purchased Units may have to be redeemed to effect the full redemption.

### iii) Switching Options

On an on-going basis, the Unitholders have the option to switch all or part of their investment from one Scheme to any of the other Scheme offered by the Fund, which is available for investment at that time, subject to prevailing load structure.

Where an investor seeks to move between the IDCW and growth alternatives within an option of the Scheme/Plan, this will not be construed as a switch. Consequently, no load will apply to such movements. Investors also have the option of switching between various Plans/Options of the same Scheme. To effect a switch, a Unitholder must provide clear instructions. A request for a switch may be specified either in terms of amount or in terms of the number of Units of the Scheme from which the switch is sought. Where a request for switch is for both amount and number of Units, the amount requested will be considered as the definitive request. Such instructions may be provided in writing and lodged on any Business Day at any of the Investor Service Centres/Designated Collection Centres.

The switch will be effected by redeeming units from the Scheme in which the units are held and investing the net proceeds in the other Scheme/Plans/Options, subject to the minimum balance, minimum application amount and subscription/redemption criteria applicable for the respective Scheme.

Valid requests for 'switch out' shall be treated as redemptions and for 'switch in' shall be treated as purchases, after considering any prevalent exit and entry loads or a combination thereof for switches. A switch by NRI/FPI Unitholders will be subject to the compliance of procedures and/or final approval of the Reserve Bank of India or and any other agency, as may be required.

The AMC reserves the right to charge different (including zero) loads on Applicable NAV on switchover as compared to the sale/repurchase as the case may be.

In view of the individual nature of tax impact, each investor is advised to consult his or her own tax consultant with respect to the capital gains/loss and specific tax implications arising out of switches and redemptions.

## 11. Ongoing price for subscription (purchase) / switch-in (from other Schemes/Plans of the Fund) by investors (Sale Price)

This is the price an investor needs to pay for purchase/switch-in.

The sale price of the Units, on an ongoing basis, is based on the Applicable NAV. As per SEBI circular dated June 30, 2009, no entry load shall be charged for subscriptions made under the Plans/Options available under the Scheme.

However, as stated above, in accordance with SEBI circular dated 30 June 2009, no entry load will be charged for purchase/additional purchase/switch-in including registrations for HSBC SIP/HSBC STP, accepted by the Fund, with effect from August 1, 2009.

Note: Purchase/Switch-in is not allowed under Segregated Portfolio. However, the unit of Segregated Portfolio will be listed on the recognized Stock Exchange.

## 12. Ongoing price for redemption (sale) / switch outs (to other Schemes/plans of the Mutual Fund) by investors. (Repurchase Price)

This is the price an investor will receive on redemptions/switch outs.

Investors may submit their redemption/switch out request on any Business Day. The redemption will be processed as per the cut off timing and desired amount/units will be redeemed at the Applicable NAV on such date after charging applicable Exit Load, if any.

While calculating the repurchase price, the Fund shall be at liberty to charge a load as permitted under SEBI Regulations. The Repurchase Price of the Units as per current SEBI Regulations shall not be lower than 95% of the Applicable NAV. The Fund also has the right to charge a different load and therefore a different repurchase price for investors who want to switch over to other eligible Schemes of the Fund.

The repurchase price of the Units, on an ongoing basis, is based on the Applicable NAV. As per SEBI Regulations, an exit load upto a maximum of 5% may be charged for all redemptions under the Plans/Options available under the Scheme.

It will be calculated as follows:

Repurchase Price = Applicable NAV \* (1 - Exit Load, if any)

### Example

If the Applicable NAV is Rs.15 and the exit load applicable is 0.5%, the repurchase price is calculated as follows:

$$\begin{aligned}\text{Repurchase Price} &= 15 * (1 - 0.005) \\ &= 15 * 0.995 \\ &= 14.925\end{aligned}$$

Note: Repurchase/Redemptions including Switch-outs for Segregated Portfolio is not allowed. However, the unit of Segregated Portfolio will be listed on the recognized Stock Exchange, provided that the difference between the repurchase price and the sale price of the Units shall not exceed the permissible limit of 5% calculated on the sale price

## 13. Cut off timings for subscriptions/ redemptions/ switch-ins/ switch-outs

This is the time before which an investor's application (complete in all respects) should reach the official points of acceptance.

The cut off timings for determining applicable NAVs for subscriptions/redemptions/switch-ins/switch-outs to be made at the Investor Service Centres/Designated Collection Centres (designated as 'Official Points of Acceptance' from time to time) are as per the following table:

| Scheme/Plan                               | Subscription | Redemption | Switch In | Switch Out |

| HSBC CRISIL IBX Gilt June 2027 Index Fund | 3.00 p.m.    | 3.00 p.m.  | 3.00 p.m. | 3.00 p.m.  |

Where a request for redemption/switch is received after the cut-off time as mentioned above, the request will be deemed to have been received on the next Business Day.

Note: Repurchase/Redemptions including Switch-outs for Segregated Portfolio is not allowed. However, the unit of Segregated Portfolio will be listed on the recognized Stock Exchange.

## 17. Special Products / Facilities available/offered to the investors under the Scheme

### (1) HSBC Systematic Investment Plan (HSBC SIP)

Unitholders of the Scheme can benefit by investing specific rupee amounts periodically, for a continuous period. SIP allows the investors to invest a fixed amount every month or quarter for purchasing additional Units of the Scheme at NAV based prices. The requirement of 'Minimum Amount for Application' will not be applicable in case of SIPs.

In case an investor wishes to invest through the SIP mode, the investor is required to provide:

- a mandate form to enable SIP debits either through NACH or such other facilities as may be provided by the AMC along with a copy of the cancelled cheque leaf with name of the unit holder pre-printed.

For details on minimum investment amount and minimum instalments refer to the table below:

| Frequency | Minimum Amount                                   | Minimum installments | Dates                  |

Minimum Aggregate Investment – Rs. 6,000/- and in multiples of Re. 1/-.

<sup>+</sup> In case investor has missed to tick the date for Monthly and Quarterly frequency then the default date will be considered as 10th. Similarly, in case of Weekly SIP frequency the Default day will be considered as Wednesday. In case the chosen date falls on a Non-Business Day or on a date which is not available in a particular month, the SIP will be processed on the immediate next available Business Day. If the

choice of date selected is more than one date then the SIP installment will be processed only for Business Days when NAV is available. No SIP installment shall be processed for Saturday, Sunday or any other non-business day.

### **National Automated Clearing House (NACH):**

NACH is a simple and convenient facility that enables the Unit holders to transact in the Schemes of the Fund by submitting a debit Mandate registration form to the Fund. By registering this mandate, you authorise the specified bank to debit the said maximum amount per day, towards investment in HSBC Mutual fund.

Investor has the option to choose any date for SIP, if the choice of date is not indicated then default date of SIP shall be considered as 10th of the month/quarter. In case the chosen/default date falls on a Non-Business Day or on a date which is not available in a particular month, the SIP will be processed on the immediate next available Business Day.

The cheques should be drawn in the name of the Scheme viz. "HSBC CRISIL IBX Gilt June 2027 Index Fund" and crossed "Account Payee only" and must be payable at the locations where the applications are submitted at the Investor Service Centres. Outstation cheques will not be accepted and applications accompanied by such cheques are liable to be rejected. In case of investments under the SIP, if 2 or more consecutive post-dated cheques/payment instructions provided by the investor are dishonored for either insufficiency of funds or as a result of a stop payment instruction issued by the investor, the AMC reserves the right to discontinue the SIP. The SIP may be discontinued on a written notice to the Registrar of at least 21 calendar days by a unit holder of the Scheme. The AMC reserves the right to introduce/discontinue SIP/variants of SIP from time to time.

The Mutual Fund may have arrangements with organisations to accept group SIPs whereby the employees of such organisations can opt for a direct deduction from their salary and invest in the Scheme of the Mutual Fund in which the SIP facility is available. The Mutual Fund will decide the terms and conditions on which such group SIPs would be made available.

### **Investment transactions (Lumpsum and SIPs) upto Rs. 50,000/- exempt from Permanent Account Number (PAN)**

In accordance with SEBI letter no. MRD/DoP/PAN/PM/166999/2009 dated June 19, 2009 issued to Association of Mutual Funds in India (AMFI), guidelines issued by AMFI vide its circular no. 35P/MEM-COR/4/09-10 dated July 14, 2009 and subsequent guidelines issued by SEBI vide letter No. OW/16541/2012 dated July 24, 2012 in this regard, lumpsum SIPs upto Rs. 50,000/- per year per investor i.e. aggregate of investments in a rolling 12 month period or in a financial year i.e. April to March (hereinafter referred to as "Micro financial products (MFP)") shall be exempted from the requirement of PAN. This exemption shall be applicable only to investments by individuals (including NRIs but not PIOs), Minors and Sole proprietary firms including joint holders. HUFs and other categories of investors will not be eligible for this exemption. MFP investors will require to be KYC compliant by submitting requisite documents and obtaining KYC compliance by undergoing the uniform KYC process applicable for securities markets.

Investors are advised to refer to the uniform KYC process and form to comply with the KYC requirement.

While making subsequent MFP applications with a mutual fund, investor can quote the existing folio number where a MFP has been registered and therefore need not resubmit the supporting document. The MFP application will be rejected by the AMC where it is found that the registration of the application will result in the aggregate of MFP investments in a financial year exceeding Rs 50,000 or where there are deficiencies in the documents submitted by the investors in lieu of PAN as mentioned above. The rejected application will be sent back to the investor with a deficiency memo. In case the first MFP

-SIP installment is processed (as the cheque may be banked), and the application is found to be defective, the MFP - SIP registration will be ceased for future installments. No refunds shall be made by the AMC for the units already allotted and a communication to this effect will be sent to the investors. However, investors shall be allowed to redeem their investments at applicable NAV.

### **(2) Systematic Withdrawal Plan (SWP)**

Unitholders have the benefit of enrolling themselves under the Systematic Withdrawal Plan. The SWP allows the Unitholder to withdraw sums of money each month/quarter/half-year/annual basis from his investments in the Scheme. SWP is ideal for Unitholders seeking a regular inflow of funds for their needs in a tax efficient manner. It is also suited to retired persons or individuals who wish to invest a lumpsum and withdraw from the investment over a period of time. The Unitholder may avail of this Plan by sending a written request to the Registrar/submit a request online.

The amount thus withdrawn by redemption will be converted into Units at the Applicable NAV based prices and the number of Units so arrived at will be subtracted from the Unit balance to the credit of that Unitholder. The SWP transaction can be effected on any day of the month for fixed amount option and the payout will be as per the payout schedule of the Scheme. In case the chosen date falls on a Non-Business Day or on a date which is not available in a particular month, the SWP will be processed on the immediate next available Business Day. In case where no SWP date is indicated by the investors 10th shall be treated as the Default Date. However, in case of Capital Appreciation the SWP will be processed only on the 1st Business day of the month. The Fund may close a Unitholder's account if the balance falls below Rs 1,000/- in the respective Options/sub-options within 30 days from the date on which a written intimation in this regard is sent to the Unitholder.

The SWP may be terminated or modified on a written notice to the Registrar of at least 14 days by a Unitholder of the Scheme and it will terminate automatically if all Units are liquidated or withdrawn from the account by the Unitholder.

Under SWP, investors can opt for withdrawal of a Fixed Amount or the Capital Appreciation on their investment (for a minimum period of 3 months).

Under the Fixed Amount Option, the investor specifies the fixed amount that he would like to receive on a regular basis irrespective of the gain/loss on the Fund in the specified period. The minimum amount which the Unitholder can withdraw is Rs. 500/- (Rupees Five Hundred only) and in multiples of Re. 1/- or 50 units and in multiples of 1 unit. thereafter.

The Capital Appreciation Option allows the automatic redemption of the incremental amount i.e. appreciation on the original investment. For example, if the appreciation on the initial investment in a period is Rs. 5000/- and Rs. 4500/- in the next period, then the investor would receive only the appreciation i.e. Rs. 5000/- and Rs. 4500/- in the respective periods. The minimum amount in rupees for withdrawal under the SWP facility shall be Rs. 500/-. Unitholders should note that in the event of there being no capital appreciation, no withdrawal/payment would be effected.

If your SWP request specifies both amount and units, the SWP will be processed on the basis of amount.

If the scheme/plan/option is not mentioned and there is only one scheme/plan/option available in the folio, the same will be processed.

If no debit date is mentioned default date would be considered as 10th of every Month/Quarter/Half Year/Annual basis i.e. 10th of the subsequent month after SIP registration.

In case the criterion of the minimum amount for the purpose of transfer of units under the SWP facility is not met, the AMC reserves the right to discontinue the SWP cancel the registration for SWP.

The AMC reserves the right to introduce/discontinue SWP from time to time.

### (3) Systematic Transfer Plan (STP)

Unitholders of the Scheme can benefit by transferring specific rupee amounts periodically, for a continuous period. STP allows the investors to transfer a fixed amount at a specified frequency or Capital Appreciation on the 1st Business Day of the month to a particular scheme at NAV based prices. Investors can opt for the Systematic Transfer Plan by investing a lumpsum amount in the any HSBC open ended scheme and providing a standing instruction to transfer sums at Daily, Weekly, Fortnightly, Monthly and Quarterly intervals (for a minimum of 6 installments) into any open ended Schemes of HSBC Mutual Fund. Investors could also opt for STP from an existing account by quoting their account/folio number. Investors could choose to specify the fixed sum to be transferred every month or opt for capital appreciation option to automatically transfer the incremental amount i.e. appreciation on the original investment. The minimum amount which the Unit holders can transfer is Rs. 500/- (Rupees Five hundred Only) and in multiples of Re. 1 (Rupee One Only) thereafter. Unit holders should note that in the event of there being no capital appreciation, no transfer would be affected.

Transfers would be effected on any date as indicated by the investor in case of Fixed Amount Option. If these dates fall on a holiday, the transaction will be effected on the next Business Day. Transfers must be for a minimum amount of Rs. 500/- per month. In case of STP if the choice of date for the instalment is not indicated by the investor, the instalment of STP will be processed on 10th of every month. For Capital Appreciation option the STP will be processed only on the 1st Business day of the month. STP will come into effect within 7 days from the date of receipt of application.

If your STP request specifies both amount and units, the STP will be processed on the basis of amount.

If the scheme/plan/option is not mentioned and there is only one scheme/plan/option available in the folio, the same will be processed.

If no debit date is mentioned default date would be considered as 10th of every month/quarter. If the day for Weekly STP is not selected, Wednesday will be the default day. In case of Fortnightly STP the default dates will be 1st and 15th of the month.

In case the criterion of the minimum amount for the purpose of transfer of units under the STP facility is not met, the AMC reserves the right to discontinue the STP/cancel the registration for STP.

Daily STP is available only for fixed amounts and not available for capital appreciation.

The STP may be discontinued on a written notice to the Registrar of at least 14 days by a unit holder of the Scheme. The AMC reserves the right to introduce/discontinue STP/variants of STP from time to time.

### D. LOAD STRUCTURE

Load is an amount which is paid by the investor to redeem the units from the Scheme. This amount is used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC at [www.assetmanagement.hsbc.co.in](http://www.assetmanagement.hsbc.co.in) or may call at ISC or your distributor.

As per SEBI circular dated 30 June 2009, no entry load will be charged for purchase / additional purchase / switch-in including registrations for HSBC SIP/HSBC STP, accepted by the Fund, with effect from August 1, 2009.

Repurchases could attract an exit load (as a % of the Applicable NAV for redemptions). Unitholders should note that the AMC retains the right to change exit load as per the provisions below:

The repurchase price however, will not be lower than 95% of the NAV subject to SEBI Regulations as amended from time to time.

### Load Structure (Including SIP/STP/SWP, wherever applicable) for Scheme/Plans:

**Entry Load\*: Nil**

**Exit Load: Nil**

\* In terms of SEBI circular no. SEBI/IMD/CIR No.4/168230/09 dated June 30, 2009, no entry load will be charged to the investor effective August 1, 2009.

Units issued on reinvestment of IDCW shall not be subject to exit load for existing as well as prospective investors. The exit load set forth above is subject to change at the discretion of the AMC and such changes shall be implemented prospectively. The above mentioned load structure shall be equally applicable to the facilities such as HSBC SIP, HSBC SWP and HSBC STP, etc. offered by the AMC.

The exit load charged, if any, will be credited to the schemes. GST on exit load, if any, will be paid out of the exit load proceeds and exit load net of Goods & service tax, if any, will be credited to the scheme. Exit load is not applicable for Segregated Portfolio.

The investor is requested to check the prevailing load structure of the Scheme before investing. For any change in load structure AMC will

issue an addendum and display it on the website/Investor Service Centres.

Subject to the Regulations, the Trustees reserve the right to modify/alter the load structure and may decide to introduce a differential load structure on the Units redeemed on any Business Day. Such changes will be applicable prospectively. The changes may also be disclosed in the Statements of Account issued after the introduction of such load.

Any imposition or enhancement of Load in future shall be applicable on prospective investments only. However, units issued on reinvestment of IDCW shall not be subject to exit load for existing as well as prospective investors. Further, at the time of changing the Load Structure:

- (i) The addendum detailing the changes will be attached to the SID and Key Information Memorandum. The addendum will be circulated to all the distributors/brokers so that the same can be attached to all the SIDs and Key Information Memorandum already in stock.
- (ii) Arrangements will be made to display the changes/modifications in the SID in the form of a notice in all the Investor Service Centres and distributors/brokers' office.
- (iii) The introduction of the Exit Load along with the details will be stamped in the acknowledgement slip issued to the investors on submission of the application form and will also be disclosed in the Account Statement or in the covering letter issued to the Unit holders after the introduction of such Load.
- (iv) A notice for change in Exit Load shall be uploaded on the website of the Mutual Fund.
- (v) Any other measures which the mutual fund may feel necessary.

#### **Methodology for calculation of Sale and Repurchase Price of units**

##### **Sale Price**

Sale Price = Applicable NAV \* (1 + Entry Load, if any)

##### **Example**

If the Applicable NAV is Rs. 15 and the sales load, if applicable is 2%, the sales price is calculated as follows:

Sales Price = 15 \* (1 + 0.02)

= 15 \* 1.02

= 15.30

However, as stated above, in accordance with SEBI circular dated 30 June 2009, no entry load will be charged for purchase/additional purchase/switch-in including registrations for HSBC SIP/HSBC STP, accepted by the Fund, with effect from August 01, 2009.

##### **Repurchase Price**

Repurchase Price = Applicable NAV \* (1 - Exit Load, if any)

##### **Example**

If the Applicable NAV is Rs. 15 and the exit load applicable is 0.5%, the repurchase price is calculated as follows:

Repurchase Price = 15 \* (1 - 0.005)

= 15 \* 0.995

= 14.925

#### **E. DEDUCTION OF TRANSACTION CHARGE FOR INVESTMENTS THROUGH DISTRIBUTORS/AGENTS**

SEBI has vide its Circular No. Cir/IMD/DF/13/2011 dated August 22, 2011 allowed Mutual Funds to deduct following transaction charge on

However, transaction charges in case of investments through SIP under (i) and (ii) above shall be deducted only if the total commitment (i.e. amount per SIP installment x No. of installments) amounts to Rs. 10,000/- or more. The transaction charge shall be deducted in 4 equal installments, starting from the 2nd installment to the 5th installment.

##### **(iii) Transaction charges shall not be deducted for**

#### **F. WAIVER OF LOAD FOR DIRECT APPLICATION**

Pursuant to SEBI Circular No. SEBI/IMD/CIR No. 4/168230/09 dated June 30, 2009, no Entry Load will be charged. Therefore, the procedure for Waiver of Load for Direct Applications is no longer applicable.

However, as per Circular no. CIR/IMD/DF/21/2012 dated September 13, 2012 issued by SEBI, investors will have an option to purchase/subscribe units directly with the Fund under a separate Plan available for direct investments, i.e. investments not routed through the Distributors, referred as "Direct Plan". Purchase/subscription applications routed through distributor will not be eligible for investment under Direct Plan. All the features of the Direct Plan like the investment objective, asset allocation pattern, investment strategy, risk factors, facilities offered, load structure etc. will be the same except for a lower expense ratio. If the Distributor Code in the application form is incorrect/not mentioned or Distributor code is mentioned but 'Direct Plan' also indicated in the form, the application will be processed under the Direct Plan.
