## FUTURE MARKET OUTLOOK

### Equity Market Overview and Outlook

In FY22, the Nifty index continued its positive run, ending the year with gains of 19% YoY. Returns could have been higher, but for the heavy selling by Foreign Portfolio Investors (FPIs) witnessed towards the second half of the year and the geo political tensions. Despite crude oil price of above \$100 a barrel, imminent monetary policy normalization in the US, a war, heavy FPI selling etc., the market is barely down from the high. This resilience is probably due to strong underlying earnings growth and growing allocation to equities from domestic investors which has more than matched the FPI outflows. DII flows into equities in FY22 were the highest ever, while FPIs witnessed equity outflows of about USD17Bn after five consecutive years of inflows.

The Nifty Midcap 100 (+25% YoY) and Nifty SmallCap 100 (+29% YoY) outperformed the Nifty during the year. We believe that this sharp outperformance is reflection of participation from a wider set of sectors, organized players gaining market share from the unorganized, Indian companies gaining share in global supply chains and strong liquidity. Low cost of funds has also been helpful, even though corporates have reduced leverage to a large extent. Government support to industry through lower taxes, investments in infrastructure, PLI schemes etc have been an additional boost.

Most sectors delivered positive returns in FY22. Top gainers in the sectoral space were Metals (+62%), Media (+54%), Oil & Gas (+42%), Telecom (+42%), and Technology (+40%), while Private Banks, Consumer, Autos, and Healthcare underperformed. The technology sector has been the dominating one for the last two years. However, this year, energy and metals have done better following global trends. Industrials and capital goods companies continue to do well with the expectation of the investment cycle gradually playing out and order flows being strong. Autos, cement and consumer sectors were hit by inflation woes. Financials have been in a good spot with NPL recoveries and a clean up of the book, but under performed mainly due to the FPI selling as their weightage is the highest.

Many of the trends which started in FY21 continued and further gained momentum in FY22. Cyclical stocks performed best while consumer stocks were subdued. The B2C under performance was probably due to a combination of high valuations and weak demand. Government thrust on investments have continued. Value as a style outperformed growth (many of the outperforming sectors fall in this category) once again this year and the broad markets continued to do well. Real estate recovery further picked up pace. Most export driven sectors did well. It was the year of opening up trade with hotels, film exhibition, retail, etc giving high returns. While some of it is pent up demand, some of these sectors are seeing recovery after a long downcycle. Rural plays suffered as demand weakened.

Input cost pressures are impacting margins in Consumer, Autos, Cement, Specialty Chemicals, and Consumer Durables sectors. However, BFSI, IT, Utilities, and Telecom have largely remained unaffected. Strong demand visibility in IT and a pickup in credit growth with lower credit costs for banks should lend support to Nifty earnings. Energy and Metals sectors are also likely to contribute more.

### Outlook

The earnings cycle for the medium term remains intact on the back of an emerging, perhaps slightly delayed, capex and construction cycle. We expect rural growth to bounce back in FY23 with rising farm prices with stable input prices (due to policy intervention).

On the global front, near term challenges have increased. The recent economic data releases have been disappointing especially in Europe and China. The risk of recession is on a rise in United States as evident from bond yield spread. Global monetary policy is likely to tighten faster than earlier anticipated. Balance sheet tapering is likely to impact global liquidity as well. Continued lock-downs in Chinese cities and any escalation of the Russia-Ukraine crisis could further add to the existing supply side constraints.

We believe, the next two quarters are going to see sharp margin impact for companies and corporate commentaries will worsen before it gets better. If the input cost situation does not improve and large price increases become inevitable, we are not too far away from some demand slackness. And this could slow down the pace of growth and could impact earnings. While we expect the markets to remain volatile, the current geopolitical crisis should pass and hence we believe one should stick to the portfolio strategy with bottom-up stock picking.

### Debt Market Overview and Outlook

As the world moved into second year of the pandemic, Governments and Central Banks globally faced the challenge of reviving the dwindling growth on one hand, while keeping inflation in check. In the first half of the financial year, growth took center stage while inflation took a back seat. While Governments provided the quintessential impetus to growth through fiscal stimulus, Central Banks complemented through accommodative policies by providing surplus liquidity and absorbing bond supply through monetary policy tools. Easing of restrictions, progress on vaccination and pick up in spending resulted in a rebound in growth. However, as the year progressed and economic activity picked up, inflationary pressures which earlier seemed transitory in nature, turned out to be more entrenched. Central Banks were pushed to act to stem the spiraling inflation. To make matters worse, geopolitical risks took center stage and emerged as a new threat to global growth and added woes to the already adverse impacts of supply side bottlenecks and soaring commodity prices.

The past year has been fairly volatile across asset classes, both globally and from a domestic perspective. Equity markets scaled new highs across various economies, however threats around newer variants of the virus denting economic growth resulted in periods of correction. Commodity prices have seen a surge this year. Recovery in manufacturing activity and rising supply bottlenecks pushed metal prices higher before seeing some softening. Crude prices have remained elevated on the back of recent geopolitical concerns, trading above the psychological USD 100/bbl mark lately while briefly breaching USD 130/bbl, thereby feeding into inflation for major oil importing nations. Bond yields which had remained benign in the earlier part of year, edged up higher as inflation pressures prompted various Central Banks to commence exiting from ultra-easy monetary policy stance and start hiking interest rates to stem the spiraling inflation. CPI prints in various advanced economies have been at multi-year highs, with the latest CPI print in US coming at 7.9%. Against this backdrop, the Federal Open Market Committee (FOMC) in its March meeting raised federal funds rate by 25 bps with the dot plot suggesting additional rate hikes of 150 bps expected in 2022. The FOMC minutes suggested possibility of 50 bps hike in the May policy along with reduction in Fed Balance Sheet by USD 95 bn per month. The 10-year US Treasury yields have risen sharply and currently trading around 2.70%-2.75%. The 2-year and 5-year US Treasury yields have seen an even sharper move up with the 5-year/10-year curve now inverted.

On the domestic front, with pick up in external demand, exports have remained buoyant. However, imports have also rebounded sharply on back of revival of domestic demand and higher Crude prices resulting in a higher Current Account Deficit than earlier envisaged. Updates pertaining to bond index inclusion are still awaited, which will remain an important factor to manage the supply demand mismatch. Tax collections have been very robust with the GST revenues for March 2022 at an all-time high of INR 1.42 trillion (higher by 15% y-o-y). Petrol and diesel prices have seen price hikes over the last few of weeks on higher Crude prices with the cumulative increase now ~ INR 10 per litre.

RBI used G-Sec Acquisition Programme ("G-SAP") as an effective tool to absorb part of the large supply of Government bonds in H1 FY2022 and to anchor yield expectations. Liquidity has remained surplus to facilitate conducive financial environment for economic recovery. Over the last few months, RBI has deployed Variable Rate Reverse Repo ("VRRR") auctions as the primary tool for liquidity management. Multiple tenor VRRR auctions have been conducted to push short term rates higher. However, RBI has throughout been careful in guiding markets that the overall lift-off process will be gradual and non-disruptive.

The G-Sec calendar for H1 FY2023 was announced with the borrowing frontloaded at INR 8.45 Lakh Crs, higher than market expectations. Weekly auction sizes will be INR 32,000-33,000 Crs. In line with feedback from market participants, the GOI announced that issuances will also happen in the 7-year bucket going forward. The SDL calendar for Q1 FY2023 was also announced, with a gross borrowing for the quarter at INR 1.90 Lakh Crs. Gross T-Bill borrowing for Q1 FY2023 will be INR 4.32 Lakh Crs with weekly auction sizes of INR 33,000-34,000 Crs. The WMA limit for GOI for H1 FY2023 is set at INR 1.5 Lakh Crs.

The Monetary Policy Committee (MPC) in their latest bi-monthly policy statement on April 08, 2022 came out with the following key announcements:

- The MPC members unanimously voted for keeping the policy Repo Rate unchanged at 4.0%
- The Reverse Repo Rate under LAF and the MSF rate were kept unchanged at 3.35% and 4.25% respectively
- The MPC introduced the Standing Deposit Facility (SDF), which will henceforth be the floor of the LAF corridor, currently at 3.75%. Correspondingly the LAF corridor has been restored back to 50 bps
- The MPC unanimously decided to remain accommodative while focusing on withdrawal of accommodation to ensure that inflation remained within the target going forward, while supporting growth

In light with the recent developments around geopolitical tensions between Russia and Ukraine, soaring energy and commodity prices and global supply chain disruptions, the MPC revised the growth and inflation projection from the previous policy. Real GDP growth for FY2023 has been revised downwards to 7.2% (from earlier estimate of 7.8%) and CPI projection for FY2023 has been revised upwards to 5.7% (from earlier estimate of 4.5%).

Although, the Governor reiterated the RBI's commitment to ensure the availability of adequate liquidity to meet the productive requirements of the economy, he also mentioned that the RBI will engage in a gradual and calibrated withdrawal of the surplus liquidity (injected in the wake of the pandemic) over a multi-year time frame in a non-disruptive manner. The Governor also mentioned that the RBI remains focused on completion of the Government borrowing program and will deploy various instruments as and when required. As a step towards this, the RBI enhanced the limit for inclusion of SLR eligible securities in the HTM category from 22% to 23% of NDTL. One important inference from the Governor's speech was that the RBI is looking to prioritize inflation over growth after a period of 3 years, which is evident from the sharp revision in inflation estimates. Additionally, there were also first signs of communication from the MPC talking about focusing on withdrawal of accommodation.

Markets were clearly looking towards the Central Bank for some support to narrow the supply demand gap for the heavy Government borrowing. However, there was no concrete communication towards achieving that. The recent policy seems to be the first step towards the inevitable policy normalization, which probably will begin with a stance change from accommodative to neutral followed by hike in repo rate. For RBI, the next few quarters will be a testing time, in terms of balancing out its various mandates – managing the growth inflation trade-offs, ensuring that Government borrowing goes through smoothly while still maintaining its hard-earned credibility. From our fund's perspective, we continue to remain cautious in our positioning across our actively managed funds till further clarity emerges on geopolitical risks, crude prices and also RBI's tolerance levels for critical yield levels - before they come in to support the markets.

**Past performance may or may not be sustained in the future.** \* Point to Point (PTP) Returns in INR show the value of Rs.10,000/- invested <sup>A</sup>Standard Benchmark

Note: As per the SEBI standards for performance reporting, the since inception return is calculated on NAV of Rs.10/- invested at inception. The since inception return is calculated considering the NAV of Rs. 1000/- invested in L&T Liquid Fund and L&T Overnight Fund and for Rs.10/- for all other schemes, invested at inception. CAGR is Compounded Annualised Growth Rate . Date of inception is deemed to be date of allotment.

Dividends are assumed to be reinvested and bonus is adjusted. Load is not taken into consideration.

- Performance data is as on 31st March 2022.
- Different plans shall have a different expense structure.
- The performance details have been provided for Regular and Direct Plan separately.
- Scheme count for the total schemes managed by the Fund Managers includes all the close ended debt schemes considered as 1 scheme.

**Common to all Schemes:** Performance of the schemes (wherever provided) are calculated basis CAGR for the past 1 year, 3 years, 5 years and since inception. In case, the start/end date of the concerned period is a non - business day (NBD), the NAV of the previous date is considered for computation of returns.

**Annexure III**

**L&T FINANCIAL SERVICES**

**(“LTFS”)**

**Voting Policy**

**Applicable to L&T Mutual Fund**

## 1. Introduction

Securities & Exchange Board of India (SEBI), vide circular ref. SEBI/IMD/Cir No. 18/198647/2010 dated March 15, 2010 stipulated that mutual funds should play an active role in ensuring better corporate governance of listed Companies. In this regard, SEBI has mandated that, Asset Management Companies shall disclose their policy and procedure, for exercising the voting rights in respect of shares held on behalf of the mutual funds on their website as well as in the annual reports of the schemes. This document is drafted in pursuance of the above referred circular, clarificatory email received from SEBI on June 23, 2011 and SEBI circular no. SEBI/HO/IMD/DF4/CIR/P/ 2021/29 dated March 05, 2021.

The purpose of this document is to disclose general policies and procedures followed by L&T Investment Management Limited (LTIML) for exercising the voting rights in respect of shares held in the schemes of L&T Mutual Fund (the Fund). LTIML understands its fiduciary duty to exercise its vote judiciously, on behalf of, and in the best interest of the unit holders of the fund. It further appreciates that voting decisions may affect the value of shareholdings.

## 2. General Voting Principles and Application

LTIML shall review all proposals, even though that may be considered to be routine matters. Since, LTIML endeavors to effectively manage its investment process and corporate governance responsibilities, in all cases each proposal will be considered based on the relevant facts and circumstances and in the best interest of the unit-holders.

**LTIML will generally follow the below mentioned voting guidelines:**

- a. Corporate Governance matters (including changes in the state of incorporation, merger and other corporate restructuring and anti-takeover provisions): Mergers and acquisitions and corporate restructuring proposals will be subject to appropriate review on a case-by-case basis to determine whether they would be beneficial to shareholders' interest. LTIML votes against anti-takeover proposals but will consider supporting measures for time periods in special circumstances.
- b. Changes to capital structure (including increases or decreases of capital and preferred stock issuances): The proposals for approval to alter the capital structure of the company, such as an increase in authorized capital will generally be supported unless the same is considered to be unusual or excessive. LTIML does not generally favour shares with restricted or differential voting rights.
- c. Stock option plans and other management compensation issues: LTIML would generally support proposals for Employee Stock option plans and other management compensation plans, but would oppose stock option plans and compensation, if it feels that approval of the plan would be against shareholder interest by virtue of being excessively dilutive or seen as giving undue advantage to the management.
- d. Corporate and Social Responsibilities: LTIML believes in management discretion with regard to social and environmental issues and would generally support proposals on social issues that have demonstrable socio-economic benefits.
- e. Appointment and Removal of Directors: The foundation of good corporate governance is in the selection of responsible and qualified, Independent Directors that are likely to diligently represent the interest of the shareholders and oversee management of the Company in the manner that will seek to maximize shareholder value over time. LTIML would generally support the Board's nominees in the election of Directors and generally support proposals that strengthen the independence of Board of Directors. However, each such proposal shall be evaluated on a case-by-case basis.
- f. Related party transactions of the investee companies (Excluding Own Group Companies): LTIM shall evaluate the proposal of Related party transactions of the investee companies (Excluding Own Group Companies) to assess if such resolutions are beneficial to the interest of the shareholders.

For this purpose, "Related Party Transactions" shall have same meaning as assigned to them in clause (zc) of Sub-Regulation (1) of Regulation (2) of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

- g. Any other resolution that may affect the interest of the shareholders in general and interest of the unit-holders in particular.

LTIML will generally vote in accordance with the above guidelines, but may act differently if the relevant facts and circumstances so warrant in the interests of the shareholders.

Exceptionally, LTIML may decide to abstain -

1. for resolutions other than as mentioned under clause 2 (a) to (g) mentioned above till 31<sup>st</sup> March 2022.

Further, for all resolutions which are not covered under Clause 2 (a) to (g) LTIML shall compulsorily cast their votes with effect from April 01, 2022.

2. In the event the schemes of the Fund have no economic interest in the investee company on the day of voting.

### 3. Voting procedures

Voting in respect of proposals covered by these guidelines shall be executed by LTIML's Investment Operations team or Custodian based on voting instructions received from the Investment Management Team. The analyst team frame the analysis of each proxy proposal and in evaluating votes, the analyst team may consider information from many sources, including a company's management, shareholder groups, proxy voting advisors and various research and data resources, etc. Proposals not covered by these guidelines would be evaluated by the Investment Management team of LTIML. LTIML may utilize the services of third party professional agencies for getting in-depth analysis of proposals and recommendations on voting.

In case if the voting done by LTIML is at a variance from the recommendation provided by the service provider, approval will be obtained from either the Head of Equities or the Chief Executive Officer. LTIML retains the discretion to vote directly, wherever feasible.

### 4. Conflict of Interest

LTIML recognizes that there may be a potential conflict of interest (may be in form of the company being a group / associate company or the company having investments in the schemes of the Fund) when it votes on an entity with which LTIML may have a significant relationship. In such cases, LTIML will ensure to vote in the interest of the unit holders and in accordance with the guidelines stated herein. All investments by the schemes are made based on strong fundamentals of a Company.

While most votes will be determined in accordance with the present policy on voting and disclosure, there may be circumstances when analyst will refer proxy issues to the Conflict Management Committee ("the Committee") for consideration. The Investment Team is expected to determine and address potential or actual conflicts of interest that may be presented by a particular proxy and escalate such potential or actual conflicts to the Committee. LTIML will allow the employee(s) to recuse from decision making in case of the employee(s) having any actual/potential conflict of interest in the proxy voting decisions.

The Constitution of the Committee shall be as under:

- CEO
- CIO / Head- Equity/ Fund Manager
- Compliance Officer or any next senior officer from compliance

All the matters referred to the Committee and decisions of the Committee shall be recorded and preserved.

### 5. Review and control

This document and the actual exercise of voting will be placed before/ circulated to the members of the Investment Management Committee of LTIML on a periodic basis. Internal controls and checks are in place at various key steps in the process of exercise of votes as considered relevant/material by LTIML. On an annual basis, the voting process shall be subject to audit as per requirements under SEBI Regulations.

### 6. Disclosure requirements

In accordance with SEBI circular IMD/Cir No. 18/198647/2010 dated March 15, 2010 and CIR/IMD/DF/05/2014 dated March 24, 2014, LTIML shall disclose the following:

1. Voting policy and procedures will be made available on the website of the Fund as well as in the annual report of the schemes.
2. LTIML shall disclose on its website as per the periodicity mandated by SEBI and in the annual report of the schemes of the Fund distributed to the unit-holders, actual exercise of its voting in general meetings of listed Companies in the format as prescribed in the SEBI circulars from time to time.

Further on an annual basis, LTIML shall obtain Scrutinizer's" certification on the voting reports being disclosed by LTIML for the Schemes of the Fund. Such Scrutinizer's certification shall be submitted to trustees and also disclosed in the relevant portion of the Mutual Funds' annual report and website.

The Board of LTIML and LTMFTL shall review and ensure that LTIML has voted considering the interest of investors and the decisions have not been influenced by any factor other than the best interest of the unit holders and the rationale recorded for vote decision is prudent and adequate. The confirmation to the same, along with any adverse comments made by Scrutinizers, shall be reported to SEBI in the half yearly trustee reports.

## **7. Legal Liability**

- i) The principles and positions reflected in the Policy are designed to guide the AMC in voting, and not necessarily in making investment decisions.
- ii) LTIML shall not be under any liability on account of anything done or suffered by it in good faith under this Policy.

## **8. Proxy advisor's Voting Recommendation Policy & procedure**

In line with SEBI circular no. SEBI/HO/IMD/DF1/CIR/P/2020/147 dated August 03, 2020 and SEBI circular no. SEBI/HO/IMD/DF1/CIR/P/2020/157 dated August 27, 2020, Proxy Advisor should formulate Voting Recommendation Policy disclosing the methodologies and processes followed in the development of their research and corresponding recommendations to its clients. The Proxy Advisor shall submit Voting Recommendation Policy & procedure to be reviewed once annually. The Proxy advisor shall also submit the updated Voting Recommendation Policy to LTIML.

## **9. Review of policy**

The policy shall be annually reviewed. The Policy may only be amended with prior approval of the Board of Directors of the AMC and Trustee Company.

"If at any point a conflict of interpretation / information between this Policy and any Regulations, Rules, Guidelines, Notification, Clarifications, Circulars, Master Circulars/ Directions by Securities & Exchange Board of India (SEBI) issued or to be issued, then interpretation of such Regulations, Rules, Guidelines, Notification, Clarifications, Circulars, Master Directions issued by SEBI shall prevail.

This policy will be effective from October 18, 2021, the date of approval of Board of AMC and Trustees and would over-ride the earlier policy.

The management of the AMC is responsible for the preparation of the Voting Reports and disclosure of the same in the Annual Report and on their website in accordance with the provisions of the aforementioned SEBI circulars, as amended from time to time, maintaining the necessary records and for ensuring compliance with the SEBI (Mutual Funds) Regulations, 1996, as amended from time to time and other guidelines issued by SEBI for Mutual Funds and/or Asset Management Companies and/or Trustee Companies in this regard.

**Auditors Responsibility**

4. Our responsibility, for the purpose of this certificate, is limited to certifying accuracy of the particulars contained in the Voting Reports with reference to the relevant records and documents maintained by the AMC and produced before us for verification and the information, explanations and representations given to us.
5. We carried out our work in accordance with the Guidance Note on Reports or Certificates for Special Purposes, issued by the Institute of Chartered Accountants of India (ICAI). This Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Review of Historical Financial Information and Other Assurance and Related Services Engagements.

7. Our procedures have been planned to obtain all information and explanations that we considered necessary for the purpose of our work, which included evaluating the particulars contained in the Voting Reports as aforesaid.
8. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Criteria

9. The criteria against which the information was evaluated are:
  - a. Policies & procedures framed by the AMC for exercising their voting rights in respect of the shares held by the Schemes of the Fund.
  - b. Quarterly voting reports for the financial year ended March 31, 2022.
  - c. The documents maintained by the Fund concluding the voting decision on the resolutions of the Investee Companies.
  - d. Communication between the Custodian and the AMC for votes casted.

#### Opinion

10. Based on the procedures performed as mentioned in paragraph 9 above and information and explanations provided to us, nothing has come to our attention that causes us to believe that, the details mentioned in the Voting Reports are inconsistent or not in agreement with the relevant records and documents maintained and representations provided by the LTIM for the year ended 31<sup>st</sup> March 2022.

During the period 1st April 2021 to March 31, 2022, a total of 2,615 decisions were available to the Mutual Fund for exercising the voting rights in respect of equity shares held in the schemes of L&T Mutual Fund. Summary of the voting rights exercised during the year is as under:

Voting decision	Count
Voted for the resolution	2456
Abstained	7
Voted against the resolution	152
<b>Total</b>	<b>2615</b>

**Restriction on Use**

11. This certificate has been issued at the request of the Management of the AMC for the purpose of onward submission to the Trustees of L&T Mutual Fund and to enable the AMC and L&T Mutual Fund Trustee Limited to comply with the requirements of disclosures in the Annual Report and the website of the L&T Mutual Fund. This certificate should not be used for any another purpose other than as mentioned in the aforesaid SEBI circulars and should not be distributed to any other party without our prior written consent.

Yours faithfully

## INDEPENDENT AUDITOR'S REPORT

To The Board of Directors of L&T Mutual Fund Trustee Limited

Report on the Audit of the Financial Statements

### Opinion

We have audited the accompanying financial statements of the undermentioned Debt schemes of L&T Mutual Fund (the "Fund"), which comprise the Balance Sheet as at March 31, 2022, the Revenue Account and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information:

- L&T Ultra Short Term Fund
- L&T Money Market Fund
- L&T Liquid Fund
- L&T Triple Ace Bond Fund
- L&T Credit Risk Fund
- L&T Short Term Bond Fund
- L&T Overnight Fund (formerly known as L&T Cash Fund)
- L&T Flexi Bond Fund
- L&T Banking and PSU Debt Fund
- L&T Gilt Fund
- L&T Conservative Hybrid Fund
- L&T Resurgent India Bond Fund
- L&T Low Duration Fund

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 as amended (the "SEBI Regulations") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, as applicable:

(a) in the case of the Balance Sheet, of the state of affairs of the Schemes as at March 31, 2022;

(b) in the case of the Revenue Account, of the Surplus of the schemes for the year ended on that date; and

(c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of the Chartered Accountants of India ("ICAI") as applicable to the schemes. Our responsibilities under those Standards are further described in the Auditor’s Responsibility for the Audit of the Financial Statements section of our report. In conducting our audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by ICAI, as applicable, accounting principles generally accepted in India and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the schemes in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Auditor’s Response
1	<p><b>Valuation and existence on investments:</b></p> <p>The valuation and existence of the portfolio of investments is considered as a key audit matter since investments form the most significant component of the balance sheet and accurate valuation of investments is critical to the accurate computation of the net asset value. Valuation of Investments is required to be in compliance with the valuation policy as approved by the Board of the L&amp;T Mutual Fund Trustee Limited and L&amp;T Investment Management Limited and in compliance with SEBI Regulations and Guidelines.</p>	<p>Principal audit procedures performed:</p> <p>We gained an understanding of the internal control structure and operating effectiveness of key controls surrounding valuation and existence of investments.</p> <p>We tested the valuation of the investments by testing the compliance with the valuation policy as approved by the Board of L&amp;T Mutual Fund Trustee Limited and L&amp;T Investment Management Limited and in compliance with SEBI Regulations and Guidelines and by comparing the investment valuation from prices obtained from following source:</p> <ul style="list-style-type: none"> <li>– security level prices received from agencies approved by Association of Mutual Fund in India (“AMFI”)</li> </ul> <p>We also assessed and verified the provisions required as per SEBI guidance on below investment grade securities or default securities.</p> <p>We tested the existence of the Investments by obtaining and reconciling the direct confirmations of the holdings from following sources:</p>

Sr. No.	Key Audit Matter	Auditor's Response
		<ul style="list-style-type: none"> <li>- Custodians of the Schemes</li> <li>- Reserve Bank of India</li> <li>- Clearing Corporation of India Limited</li> </ul> <p>We agreed the holdings as per above confirmations with the Schemes' accounting records. We reviewed the reconciliations for the cases where differences were observed, if any.</p>
2	<p><b>Information Technology (IT) Systems</b></p> <p>The controls over IT Systems and the operating effectiveness thereof at investment operations, fund accountant and registrar &amp; transfer agents of the Fund is considered as a key audit matter as the schemes are highly dependent on technology due to the significant number of transactions that are processed daily and discrete IT Systems used. The audit approach relies extensively on automated controls and therefore on the effectiveness of controls over IT systems. Accordingly, our audit was focused on key IT systems and controls due to the pervasive impact on the financial statements.</p>	<p>Principal audit procedures performed:</p> <p>We involved our IT specialists to obtain an understanding of the IT related control environment at investment operations, fund accountant and registrar &amp; transfer agents of the Fund (together hereinafter referred to as "Entity"). Furthermore, we conducted an assessment and identified key IT applications, databases and operating systems that are relevant to our audit and have identified key applications relevant for financial reporting.</p> <p>For the key IT systems pertaining to financial reporting, our areas of audit focus included Access Security (including controls over privileged access), program change controls, database management and network operations.</p> <p>We obtained an understanding of the Entity's IT control environment and key changes during the audit period that may be relevant to the audit.</p> <p>We tested the design, implementation and operating effectiveness of the Entity's General IT controls over the key IT systems that are critical to financial reporting. This included evaluation of entity's controls to evaluate segregation of duties and access rights being provided / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being reviewed during the period of audit.</p> <p>We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate</p>

### Information Other than the Financial Statements and Auditor's Report Thereon

The Managements of the L&T Mutual Fund Trustee Limited (the "Trustee Company") and L&T Investment Management Limited (the "AMC"/"Investment Manager") are responsible for the other information. The other information comprises the Trustee report and Abridged Financial Statements of the Schemes of L&T Mutual Fund, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of these financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Financial Statements

The Managements of the Investment Manager and the Trustee Company are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Schemes in accordance with the accounting policies and standards as specified in the Ninth Schedule of the SEBI regulations and in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Schemes and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Trustee Company are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Schemes, or has no realistic alternative but to do so.

The Managements of the Investment Manager and the Trustee Company are responsible for overseeing the Scheme's financial reporting process.

## Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal financial control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Regulation 55, and clause 5 of the Eleventh Schedule to the SEBI Regulations, we report that:
  - a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) the Balance Sheet, the Revenue Account and the Cash Flow Statement dealt with by this Report are in agreement with the books of account of the schemes; and
  - c) the financial statements have been prepared in accordance with the accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations.
2. As required by the Clause 2 (ii) of Eighth Schedule of the SEBI Regulations, we report that, there are no non-traded securities as at the year end.
