L&T Infrastructure Fund

An open-ended equity scheme investing in infrastructure sector.

GAINING FROM THE THRUST ON INFRASTRUCTURE SECTOR

INDIA is one of the fastest growing economies in the world. The role of infrastructure is paramount and foundation stone for any economy to drive forward. Thus, the government has reiterated its focus on infrastructure sector in Union Budget 2022 and proposed a robust infrastructure spending in fiscal 2022-23 which is expected to positively influence the prospects of the companies in the core infrastructure and allied sectors.

KEY TAKEAWAYS ON INFRA GROWTH FROM **UNION BUDGET 2022-23**

Double-digit growth in infrastructure spending in FY23

Ken-Betwa river linking project to be undertaken

GatiShakti master plan to be announced supporting development of expressways, multi-modal logistics parks, railway cargo terminals, etc.

National highway network to be expanded by 25,000 kms during FY23

Four multi-modal national parks contracts will be awarded in FY23

Desh stack e-portal to be launched to promote digital infra

PRESENTING...

A PURE INFRASTRUCTURE SECTOR BASED FUND **L&T Infrastructure Fund** that endeavours to invest in companies that could gain from the

government's policies on infrastructure growth and economic reforms that could directly feed off its growth.

WHY INVEST ON L&T INFRASTRUCTURE FUND? TRUE TO LABEL FUND

It is a pure infrastructure sector based fund and thus, focuses on investing in the stocks and sectors that could benefit from India's infrastructure growth while staying away from other

sectors as a proxy to infra play. DIVERSIFIED PORTFOLIO

It offers flexibility to the fund manager to invest across market cap segments and sectors, thus allowing it to tap investment opportunities and provide sufficient diversification across

infrastructure and related sectors. RESEARCH DRIVEN APPROACH

It invests in well researched stocks and segments within the infrastructure space that have scalable businesses with robust growth potential at reasonable valuations.

POTENTIAL WEALTH CREATOR

It has a long term track record and is well positioned to help boost performance of the

investor's portfolio as it has the potential to significantly outperform the broader market over the next few years
