Illustration – Impact of expense ratio on the returns of the Scheme:

Impact of expense ratio on the Scheme’s returns:

Expense ratio, normally expressed as a percentage of Average Assets under Management, is calculated by dividing the permissible expenses under the Regulations by the average net assets.

To further illustrate the above, for the Scheme under reference, suppose an investor invested Rs. 10,000/- under the Growth Option, the impact of expenses charged will be as under:

Particulars	Regular Plan			Direct Plan		
	Amount	Units	NAV (Rs.)	Amount	Units	NAV (Rs.)
Invested in the NFO (A)	10,000	1,000	10.0000	10,000	1,000	10.0000
Value of above investment after 1 year from the date of allotment (post all applicable expenses) (B)	10,700	1,000	10.7000	10,750	1,000	10.7500
Expenses charged during the year (other than Distribution Expenses) (C)	50			50		
Distribution Expenses charged during the year (D)	50			0		
Value of above investment after 1 year from the date of allotment (after adding back all expenses charged) (E) [E= B+C+D]	10,800	1,000	10.8000	10,800	1,000	10.8000
Returns (%) (post all applicable expenses) (F) [F= (B-A)/A]	7.00%			7.50%		
Returns (%) (without considering any expenses) (G) [G= (E-A)/A]	8.00%			8.00%		

Kindly note the following:

- The purpose of the above illustration is to purely explain the impact of expense ratio charged to the Scheme and should not be construed as indicative returns of the Scheme.
- Calculations are based on assumed NAVs, and actual returns on your investment may be more or less.
- It is assumed that the expenses charged are evenly distributed throughout the year.
- The expenses of the Direct Plan under the Scheme will be lower to the extent of the above mentioned distribution expenses/ commission.
- Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to consult his or her own financial advisor.

The above mentioned change shall override the conflicting provisions, if any, and shall form an integral part of the SID of the Scheme.

All the other provisions of the SID except as specifically modified herein above remain unchanged.
