

# IT'S THE RIGHT TIME TO INVEST IN INDEX FUNDS

Markets are witnessing some correction since the last few sessions as policymakers across the globe aggressively paddle on monetary policy tightening in the face of high inflation. For the long-term investors, this could be a good time to grab the opportunity and invest in large companies at a reasonable valuation.

**L&T Nifty 50 Index Fund** invests in stocks comprising the Nifty 50 Index while **L&T Nifty Next 50 Index Fund** invests in those of Nifty Next 50 Index. Both schemes aim to follow the proportions of their respective indices for portfolio construction while aiming for minimal tracking error. This gives you a unique opportunity to gain access to companies that have the potential to create wealth over time.

## Suitable for investors who are looking:

For equity exposure through passive investing strategy at a low cost

To participate in the growth story of the Indian market

To invest from long term perspective to grow wealth
