

HOW DOES GRASS SURVIVE A STORM? BECAUSE IT'S FLEXIBLE.

Balanced Advantage Funds bring the same flexibility to your investments too. By investing in equities, you could benefit from their growth potential and by investing in debt, you could aim for stability and preservation of capital.

See how this flexibility can help you over the long term

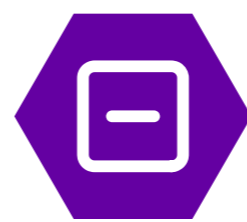

Dynamically changes allocation between equity and debt based on market valuations

Offers lower volatility with potential returns closer to equities

Tax efficient with better downside protection and lower risk

Helps eliminate emotion-based investing

Ideal for cautious investors seeking equity-like returns with lower risk

No worry about when is the right time to invest

**So don't let stormy markets break your investments,
choose a flexible approach instead!**
