

# Aim to soar high with large caps.

## Invest in HSBC Large Cap Fund

Large Cap Fund - An open ended equity scheme predominantly investing in large cap stocks.

February 2024

### Why HSBC Large Cap Fund?

To seek an exposure to true large cap companies which are relatively stable than mid and small cap companies

Prefer dominant and scalable businesses available at reasonable valuations.

A top down and bottom up approach will be used to invest in equity and equity related instruments

Profit pool consolidation with dominant players to continue and disruption to accelerate this shift.

True to label fund – The fund will stay true to its objective in keeping with the mandate reposed by the investor whilst investing in the fund

Stock selection focuses on earnings growth trajectory and within that, the emphasis lies on earnings surprises.

Aim to create a corpus through generating inflation-adjusted returns to cater to long-term goals

Since valuations are in line with its historical averages, earnings visibility and relative earnings growth are the key criteria of stock selection.
