(An open ended dynamic equity scheme investing across large cap, mid cap, small cap stocks.)

December 2024

Why HSBC Flexi Cap Fund?

To seek an exposure to any one or all across market capitalisations in the portfolio to get a value from opportunities in small, mid and or large cap segments

Prefer dominant and scalable businesses available at reasonable valuations

True to label fund – The fund will stay true to its objective in keeping with the mandate reposed by the investor whilst investing in the fund

Profit pool consolidation with dominant players to continue and disruption to accelerate this shift

Aim to create a corpus through generating inflation-adjusted returns to cater to long-term goals

Stock selection focuses on earnings growth trajectory and within that, the emphasis lies on earnings surprises
