Why HSBC Financial Services Fund

Government initiatives have accelerated the pace of growth in the sector.

Financial services products still have low penetration in India.

HSBC Financial Services Fund aims to invest predominantly in equity and equity related securities of companies engaged in financial services businesses.

HSBC Financial Services Fund aims to combine power of two subsectors i.e. lending and non lending with more effective allocation patterns.

The fund aims to filter stocks within three broad parameters i.e. Compounders, Growth accelerators and Innovators / Disruptors. It also follows: i) No benchmark hugging ii) Weight of non-lending higher than benchmark iii) Higher mix of mid and small caps vs benchmark
