## Why HSBC Large and Mid Cap Fund?

- Focus on Large and Mid Caps with some small caps, across sectors
- Aim to achieve performance consistency with optimal allocation to large and mid caps
- A bottom-up approach will be used to invest in equity and equity related instruments

## Fund Approach

- The fund follows growth style with bottom-up approach
- Focus on large caps where scale will be an advantage (like banks), while midcaps will be sector leaders or niche players in their respective business
- For example, specialty chemicals, tiles etc. In some cases, like real estate (which is a regional market share consolidation play), we have a mix of large and mid-cap players
- The fund builds the portfolio around three themes Allocation to Leaders, Challengers and Turnaround companies

## Investment Objective

To seek long term capital growth through investments in both large cap and mid cap stocks. However, there is no assurance that the investment objective of the Scheme will be achieved.
