Invest in HSBC Consumption Fund

(An open ended equity scheme following consumption theme)

July 2025

Why HSBC Consumption Fund?

77 million new households (HH) likely to enter higher Aspirers, Affluent and Elite category by the end of this decade as India's per Capita Income grows.

These themes are expected to drive consumption spends in the coming decade in India.

India is clearly well positioned to reap benefits of demographic changes.

HSBC Consumption Fund aims to capture these strong underlying growth trends.

Also India is experiencing trends such as Penetration, Premiumisation and Digitisation under Consumption.

Changing spending patterns and as new age customer continues to upgrade this theme is expected to continue to show growth.

HSBC Consumption Fund aims to invest a minimum 80% in companies engaged in or expected to benefit from consumption and consumption related activities and up to 20% in equity and equity related securities of companies other than consumption and consumption related activities.
