Government initiatives have accelerated the pace of growth in the sector

“It took us 6 years to get to our first 60k customers, each of whom had to sign and courier 40+ pages of forms and wait for days. We got to 1 crore customers in the next 6 years, entirely eliminating paper in the process. This was enabled by eKYC, digital signatures (esigns) and digital documents (DigiLocker)”
– Founder & CEO at leading online brokerage firm

Transformed India's financial landscape, driving innovation and inclusion.

The next wave of innovation across sectors will be driven by this initiative.
