## Fixed Income Investment Management

## Fixed Income - Investment Philosophy

#### True to label funds

Our Fixed Income investment team focuses on critical aspects of portfolio construction to generate attractive risk-adjusted returns through multiple diversified investment positions advised by in-house research.

## 'True to Label' products

- Duration and credit strategies are 'true to label'
- We do not use 'proxy' for credit quality
- Our duration strategy is played out using a combination of instruments rather than concentrated securities

# Balanced approach to credit

- To achieve optimal risk adjusted returns
- Fundamental credit research based investing, based on Public ratings
- External rating is used only as a filter rather than an active criteria

## Preserve Credibility

Preserve long term credibility of funds across categories that has been built over many years and through cycles

Source: HSBC Mutuall Fund

## Guiding principles that drive Investment philosophy and approach

### Investment mandate

 Ensures that schemes are managed in line with stated objective / investment strategy of the scheme ensuring strong long-term credibility

## Research based issuer selection

- Our strong in-house credit team has extensive expertise in credit research
- Responsible for conducting independent, unbiased and timely analysis of credit metrics

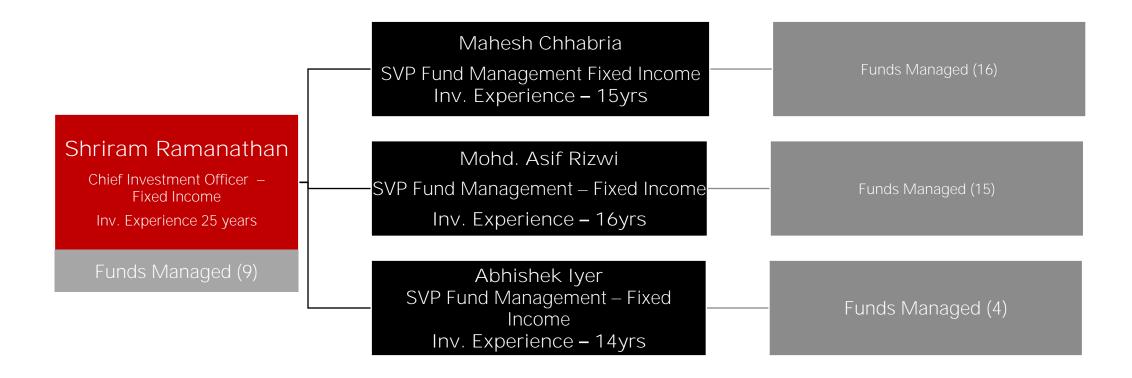

## Robust risk management

- Identifying and managing risks emanating from
  - portfolio liquidity,
  - portfolio concentration,
- credit quality,
- market risk and
- asset allocation

## Fixed Income - Fund Management Team

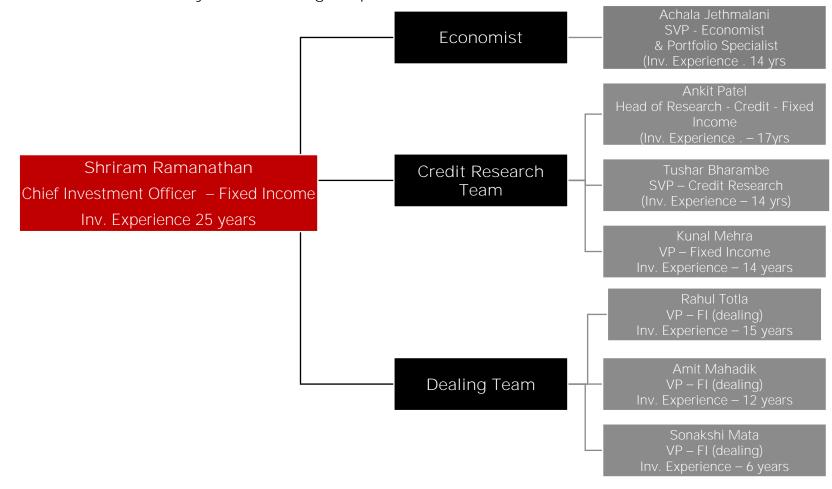

4 Fixed Income Fund Managers with over 17 years average investment experience

## Fixed Income - Credit Research and Dealing Team

- 3 Credit Analysts with about 15 years of average experience
- 3 Dealers with about 11 years of average experience
